

SRST Intent to Participate in 2019-2020 Swim Season

Thank you for being part of our swimming family! We sincerely appreciate your membership and enjoy working with your child. SRST has grown tremendously since our move to a coach-owned organization back in 2013. At that time in our development we had about 65 swimmers and today we have grown to 160. With this growth, pool space (especially at SAC) has become a serious issue. This season we carried an average of 10 people on our wait list. It's sad that we have people who want to participate but can't due to space. SAC has worked very hard to help us grow, but even with their support and cooperation there are only so many available lanes and only so many kids we can allow in a lane.

Each summer, SAC offers a summer only team. From this experience (and from other summer only teams in the area) we see dozens of kids get excited about year-round swimming. Our goal is to allow as many of these kids as possible a chance to swim on the team. Therefore, we need to plan ahead and evaluate our roster for the 2019-2020 season. Our plan is to give all existing SRST members top priority in team placement for next season; you guys are our family!

By turning in this Intent to Participate form you will reserve your spot on the roster for the 2019-2020 season. Signing this form is NOT a contract of any kind, but simply a show of good faith that you intend to swim. This will help us figure out how many new kids we can bring onto the team.

By NOT turning in this form by our **deadline [JULY 12TH, 2019]** your spot on the team will open up and could be filled by a new member on the wait list.
