ADULT SWIM LESSONS

It is never too late to learn to swim! At WEST Coast Aquatics we believe everyone should know how to swim and be able to enjoy a lifetime of fun and fitness in the water. Whether you want to be a proficient lap swimmer, learn swimming basics or advanced swimming skills, our adult swim program will help you meet your swimming goals.

Theresa's passion is teaching and coaching swimming. She had a near drowning experience as a child, and feared being in the water. At the age of 39, she started learning to swim and has since completed numerous triathlons at all distances, including five Ironman competitions and other open water competitions.

Theresa teaches swimmers of all ability levels, and gets great satisfaction seeing swimmers go from being anxious getting into the water, to becoming swimmers who enjoy swimming in the pool for recreation, and for some, venturing out into open water and competing in triathlons.

TERESA'S CREDENTIALS:
