WEST Board Meeting – April 24th

Members in Attendance: Eddie Lucien, Nermeen Mikhail, Julia Francis, Nick Chevalier, Mary Forsberg,
_____ Diane Brown

President's Report was given by Eddie – Thank all that helped with Spring Clean-Up Day, still plan to do more before Swim-A-Thon and Yardsale [May 4th].

Chris Pressler gave a report on current status of Swim-A-Thon – Only 42 swimmers have turned in donations, still expecting the majority of families to donate (and not just be billed their minimum requirement). Prize donations continue to come in, several in the \$200 range. Still working on getting the message out about prizes.

Yardsale – Rose Stinson has volunteered to help with Yardsale in addition to Mary Forsberg and Michelle Nims agreed to look into having Jamba Juice attend.

Treasurer Update – Please see attached report.

Coach Report – Everyone is sad to have another loss from our coaching staff. We cannot disclose specific details, but there were behavioral issues (equal treatment and consistent communication across all members of the team) that were not improving given multiple meetings, including one with board members and formal written warning. Our plan for the immediate future is not to hire anyone new, but for Nick and Rachel to cover while building up Front Office staff and eventually moving Rachel to more coaching or a suitable replacement is found.

Locker Room Renovation Project – so far, we have only received a quote for the flooring materials estimated at \$20,000. We will continue to look for other contractors to bid and for more affordable options.

New Business – There was none.

Next Meeting – June 12th 7pm

Mary motions to adjourn, Diane seconds.
