

Palo Alto Stanford Aquatics

Team/Site Transfer Form

This form should be used whenever transferring from one PASA site to another or from another USA team to PASA

When the occasion arises for a swimmer to transfer to another site we require the following procedure:

1. Contact your current coach. In some instances your current coach may make the recommendation.
2. Contact the coach at the site you are considering. It is PASA team policy for coaches contacted by prospective swimmers to contact the team/site the swimmer is currently attending.
3. Complete the transfer paperwork and submit a copy to both your current coach and your new coach/site.

Swimmers transferring from a PASA site to another PASA site must also attach the \$100 transfer fee.

Transfers within PASA are granted twice yearly – at the end of short course season and the end of long course season. Transfers may be considered at other times on a case by case basis, pending approval from the Site Directors.

Swimmer Name _____

Requested Site _____

Current Site/Coach _____ Contact info _____

Reason for Transfer _____

Approval:

Current Coach/Team _____ Approves the transfer

Registrar/Admin _____ Current USA registration _____ Dues/Fees in good standing

New Coach/Team _____
