

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Redding Swim Team has put in place preventative measures to reduce the spread of COVID-19; however, the Redding Swim Team cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the Redding Swim Team Programs, could increase your risk and your child(ren)'s risk of contracting COVID-19.
