- Charter schools typically do not cover August dues. Please reach out to your charter vendor manager to confirm this and if they agree to pay your swimmer's dues, email Jody at reddingaquaducksboard@gmail.com to let her know. She will then bill them for your August dues.
- Charter School families have a one-time fee per school year of \$25 per child to cover administration and vendor expenses. In addition, we need Charter school families to fill out a vendor form to help us process the necessary paperwork.
- Board policy requires written notice of intent to discontinue by the 15th of the month prior to your swimmer leaving our program so that we have adequate time to bring in our waitlisted families. This policy applies to charter families as well. Families that do not give notice will be responsible for paying the monthly dues as we cannot bill your charter if you do not attend at least one day in the month.
