

Westside Aquaducks Volunteer Hours Form

Family's Last Name: _____

Upon joining the team, and at the beginning of each new year, members sign this form agreeing to fulfill twenty-four (24) volunteer hours per year (or, if the member's schedule doesn't permit, acknowledging the option to pay a monetary equivalent of \$15 USD per unfulfilled volunteer hour).* Twelve (12) of these hours must be fulfilled toward our annual hosted swim meet.** Of the remaining twelve (12) hours, no more than ten (10) hours can be fulfilled through timing at meets. In the case of a swimmer terminating their membership during a calendar year, or joining the team after January 31, the family is responsible for the number of volunteer hours equaling twice the number of months during which the swimmer was on the team (ie. swimming from January through June would require twelve (12) hours). Any of those hours left unfulfilled at the time of the swimmer's departure are billed at the \$15.00 USD per hour rate, and this charge is part of the member's closing bill.

* Families with Fitness Group swimmers *only* are not required to fulfill these volunteer hours.

** Once a year we host our own C/B/A+ meet. This opens a wide variety of volunteer job opportunities. Out Meet Director and/or Volunteer Coordinator will reach out in advance of the meet to recruit volunteers.

Volunteer opportunities will be available throughout the year. The Board of Directors and the Volunteer Coordinator will make these opportunities known, and members are always welcome to offer to share their talents in a way we haven't thought of yet!

Our Volunteer Coordinator can answer any further questions; contact them by e-mail at volunteer@westsideaquaducks.com

I acknowledge that I have read, understood, and agreed to the above Volunteer Policy.
