*Team fee will include two MSSC swim caps, fins, kickboard, mesh training bag, car magnet and any other equipment as recommended by the coach. Returning member is a swimmer who swam the entire previous season (2021-2022) with MSSC. For new members, \$75 of the team fee will go towards equipment. If swimmer exceeds \$75 worth of equipment any excess will be invoiced to account. For returning members, \$50 of the team fee will go towards equipment. If swimmer exceeds \$50 worth of equipment, any excess will be invoiced to account.

The USA swimming membership is **required for all athletes participating on MSSC. This fee is paid directly to USA swimming, not MSSC. All groups require athletes to have the Premier membership unless otherwise noted above. Premier membership allows athletes to participate in an unlimited number of swim meets and championship meets. The Flex membership allows athletes to participate in only 2 swim meets per registration year and is only available to the 12 and under athletes in the Age Group 1 Seasonal program. USA swimming registration fee is subject to change per USA swimming.

***Please note that meet fees are not included in the Program fees. MSSC operates 3 swim meets a year. Any parent who volunteers for at least 2 sessions at the MSSC run meets will have their meet fees waived for that meet. Meets usually include a per athlete surcharge and a per entry fee.
