## Promise to Pay Options

Promise to Pay offers flexibility in payments over the course of the season. All programs (except the homeschool monthly and seasonal prep) are based on enrollment in the 9 or 11 month program not on attendance. Regardless of your swimmers full participation or not, the tuition is due. Promise to Pay is to provide flexibility in budgeting. There is a discount for paying upfront in the 1 pay (due September 1). 9 and 11 pay options offers monthly installments over the course of the season. 3 pay offers three installments paid September 1, November 1 and February 1. All accounts require a form of payment for processing the fees on account or complete a waiver to mail a check payment.

Family discount									

The first member (highest cost) in the family is billed the full tuition, all other family members will receive a \$150 discount if enrolled in a 9 or 11 month agreement.
