

TOLLEFSON SWIMMING

The Greatest Swimming Instruction and Training Anywhere

June 19, 2021

Dear Tollefson Swimming Families:

With high vaccination rates in this area and low new Covid cases, Montgomery County and Maryland have removed restrictions, and we are returning to normal. It has been a long sixteen months. With your help, we have been able to successfully offer team practices and stroke classes without virus transmission. Thank you for making it work. We thank you for your continued support and confidence in Tollefson Swimming. A special thank you to each and every swimmer for staying focused on swimming in all the various weather conditions.

The pool at Georgetown Prep is open for our team practices in the morning and stroke and training/endurance classes in the early evening. We are also offering classes at Garrett Park, Wildwood and CCRA mid-day and early evening through July. We wish everyone a wonderful summer of swimming with Tollefson Swimming and with MCSL.

With the summer underway, we are now planning for a full program in the fall with the largest and fastest competitive team ever and a full complement of stroke instruction and training/endurance classes for all swimmers. Watch for announcements and contact us for details.

Stay safe,
John
