Coaches

There will be a coaches meeting at 3:00pm. We will provide coaches with food and beverages during the meet.

Parking

Our parking lot will primarily be reserved for meet officials and disabled spectators. We will also allow two coaches cars from each club to park in our lot. PLEASE carpool!

We are recommending that swimmers and their families park at Dahl Field and along NE 80th off of 25th next to University Prep, and also in the Temple Beth Am parking lot, all of which are a short walk to the pool. Please remember when parking to observe all parking laws with regard to driveways, fire hydrants and intersections.

Drop Off

Our club is on a dead end street and it does not take a great deal of traffic before the street is impassable. We suggest if you are dropping off a swimmer for the meet to do so at the circle located on NE 80th, one block east of 25th Ave. This is the street between University Prep and Dahl Field. The pool is a short walk along a trail on east side of Dahl Field.

There will be no diving allowed during warm-up unless supervised by a coach. Warm-up times are as follows:
