

PHOTOGRAPHY-VIDEO POLICY FOR ALL PROGRAMS within Blue Eagle Swim Team

BLUE frequently uses the vast options of multi-media platforms to promote and share news and events which can include photographs, videos and live video streams.

Here are some base ground rules BLUE follows regarding photographs, videos and live video streams:

All photographs must observe generally accepted standards of decency in particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs or videos should not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs or videos should not be taken in locker rooms or bathrooms. This is strictly prohibited. If it is found that anyone does take photos or videos in a locker room or bathroom, they will subject to disciplinary action including but not limited to loss of locker room privileges.

A parent/guardian has a right to decline to have their minor participant photographed, videoed or included in a live streamed event. The exercise of this right to decline cannot be used as grounds for refusing entry into a swimming competition. The form to decline permission is found on page 2 of this policy document. Please fill it out and turn it into your coach at your next practice or email a digital copy to manager@blueeagleswimteam.org.
