No glass containers are allowed within the pool area.
No entry into shallow end of pool during the meet.
No pets within the pool area.

Junior Program Participants

We invite your junior program swimmers to have a chance to get in the water and “race” like their teammates. If you have junior swimmers please have them ready to swim free style immediately following the Medley Relay events, prior to the start of the short free style events. If your junior swimmers would like to swim backstroke, please have them ready to swim immediately following the long free events, prior to backstroke starting. Swimmers report to the Ready Bench during prior events.

Concessions

We'll have a full snack bar operating for your swimmers and families, including hamburgers, hotdogs, chicken sandwiches, pancakes, water, coffee and snacks. Sharks will provide lunch to all Coaches from the snack bar.

Parent Volunteers requested from visiting team:

TIMERS: All Timers report at 7:45am for pre-meeting at southwest corner of the swimming pool.

- 1st shift of timers, please report immediately following to 'starting end' of the pool. 2nd shift timers to report to south end of pool (non-starting end for 25 yard events) during the long free events to check in with Head Timer prior to start of 25 yard backstroke events. Timers must be ready when the last long free event finishes to start the first backstroke event #42.
- 2nd Shift timers should begin taking their seats during event #36 to the south end of the pool (non-starting end).

READY BENCH: We need 6 volunteers from visiting team for each shift. As per the league standard, we run a combined ready bench for age groups 6-U, 7-8 and 9-10. Announcements will be made as to which age groups are due to the ready bench over PA system.

Stroke and Turn: All Stroke and Turn judges to report to the SE corner of the pool at 7:45am. There may not be a PA announcement due to noise ordinance. Each team manages their own shifts independently. Please inform the Head Stroke and Turn Coordinator when your team's shift changes are for reviewing of DQ slips prior to shift changes. 3 judges are required per team throughout the day. We will be following the SSL rules for stroke and turn judges.
