In addition, if you have subscribed to the app Meet Mobile, you can find the meet results by doing a search for Blue and Gold 2021. For home meets, we will continue to use Meet Mobile as meets are taking place. This allows you to find out results of races shortly after they are completed. Most teams in our league use Meet Mobile, so there is a good chance it will be available for away meets as well.

You can download Meet Mobile from your app store. The cost is \$5.99 for a 1-year subscription or \$1.99 per month. Again, this is an additional tool that you can purchase if you want to watch meet.

### MEET HEAD COACH MATT

Matt returns coaching for his seventh year with the Blue Marlins. This is his first year serving as Head Coach.

After joining the Cordova High School team, Matt became a high school section qualifier and gold medalist at championship meets in 100 Butterfly and 200 Freestyle.

When asked what his favorite stroke is, without a pause he said butterfly.

As head coach, he has set some great goals including making sure the swimmers are not only learning the set but really work on the "why" of set. This will allow the swimmer to get a better understanding of the sport and even how hydrodynamics works, which in turn makes them a stronger and faster swimmer. And last but not least making sure the swimmers want to be in the water and having a good time while challenging themselves.

Matt also works as a lifeguard but when not found coaching or lifeguarding, he can be found on the track racing his Selby GT350R Mustang, or off roading his Jeep.

His favorite movie is Raiders of the Lost Ark.

**Monday, May 31<sup>st</sup>  
there will be no swim  
practice. Enjoy your  
Memorial Day.**
