Entries due 5:00 PM Sunday, July 21st

Entry Fees $4.00 per individual event/$16.00 per relay

Electronic (TM/TU) .sd3 format entry file required

July 2019

Dear CMSL Coaches and Reps:

With the 2019 swim season underway, we want to start the preparations for the 2019 Straehle Invitational to be held at the Carroll Aquatics Swim Club on Wednesday July 24, 2019. Information such as entry forms, instructions, directions and other information will again be posted on the CASC website.

All meet information (and updates) will be posted on the Carroll Aquatics' Straehle website page
https://www.teamunify.com/TabGeneric.jsp?_tabid_=224182&team=reczmcascmd

ENTRY INFORMATION (excerpted from the CMSL Handbook)

- Eligibility:
  - Competitors must have swum in at least two dual meets during the current season to be eligible to qualify for League Individual Championships. In the case where divisions have only five teams, participation in a tri-meet would count towards the dual meet eligibility requirement.
- Entries:
  - No contestants may enter more than 3 individual events and a relay. Each team may enter 1 relay team in each relay event.
  - Qualifying times shall determined by the League Statistician and approved by the Board of Directors and available at the spring meeting. This meet is a championship meet for all swimmers of the league; therefore, care should be taken to include as many good swimmers as possible while keeping the meet to within 6 hours.
  - Contestants entered for a relay event must have swum on an official relay in a dual meet which recorded a time that qualifies for that event. This includes relay alternates.
  - Times submitted for seeding purposes must have been swum in a dual meet of the current season.

- Times submitted for seeding purposes must be converted to the distance (yards or meters) of the pool in which the championships are to be swum.
- Entries must be submitted to the host club via Team Manager/Team Unify Meet Entries Zip File according to the Meet Notice

ENTRY PROCEDURES

1. Teams must enter the meet electronically using Hytek Team manager. This file should be e-mailed. A paper or electronic copy of the entry report is also required (PDF preferred).
   a. A Team Manager/Team Unify (TM or TU) *event file* is posted on the Straehle website. **Please be sure to use the Straehle event file and not a dual meet event file**.
   b. When importing into TM/TU, please double click the meet and set/select the following options:
      i. Enforce Qualifying Times
      ii. For those teams that use TM/TU for both USAS/Y and Summer League, you can easily comply with the requirement that qualifying/entry times are from the current dual meet season by using the following:
         - All your "qualifying" summer league meets should be set to a specific meet type (e.g. "SL" or "AAU"), including the Straehle meet
         - For the Straehle meet select "Restrict Entry Best Time to the Same Meet Type" (the meet type should already be set to specific meet type you chose above)
      iii. Please include all relays swimmers and alternates on your entries. Please list the swimmers in order that they will swim. We use an automatic timing system which will provide splits; the lead-off split is an official time.

   Note: The TM/TU event file is setup to use times since 06/01/2019
2. Electronic entries should be submitted by e-mail and include:
   a. The .sd3 format entry file (Hy-Tek or Team Unify)
   b. Entry summary report (PDF preferred). Please check the proof of times option.
   c. Meet entry fee summary.
3. E-mail entries must be submitted to Mike@CarrollAquatics.com and be received by **5:00 PM Sunday July 21st.** E-mail entries must contain the subject line "**STRAEHLE ENTRIES FROM XXXX**" where "XXXX" is replaced by the team acronym. Entries will be acknowledged by e-mail when the download and import is successful.
4. A team rep, coach or responsible entry person must be available Sunday afternoon/evening and Monday in case of questions. Please provide phone numbers with your entries.
5. All entry fees are due before your team is permitted to warm-up or participate in the Straehle meet competition. Please make **checks payable to "CMSL"**

VERIFICATION OF ENTRIES

- The above Carroll Aquatics' Straehle website will maintain an updated summary of entry status for all teams

- Each team will receive an e-mail of their team's meet entry summary once processed. Any corrections due to errors (i.e. no additional entries/swimmers) must be e-mailed back by **12:00pm Monday July 22nd**.

ENTRY TIMELINE

- Through **5:00pm Sunday, July 21st:** Meet entries accepted.
  - *Entries received after 5:00pm until 11:00pm, if accepted, will be assessed a $50 late fee. The fee is payable before the meet begins.*
- Through **12:00pm Monday, July 22nd**: Entry corrections accepted. The Meet Manager must approve requests for any additional entries/swimmers.
  - *Entries received after 11:00pm Sunday until 12:00noon Monday, if accepted, will be assessed a $250 late fee. The fee is payable before the meet begins.*
- The *Meet Psych Sheet* will be posted approximately **5:00pm Monday, July 22nd.**
- After the *Psych Sheet* is posted any entry change requests received (for other than administrative errors) requires the approval of both the Meet Manager and the CMSL President (or their appointee).

Note: The *Entry Status* document will be periodically updated on the website to show the status of each team's entries.

AWARDS

- Individual event awards: medals will be awarded to individuals placing 1st through 10th place.
- Relay Events: medals will be awarded to individuals placing 1st through 10th place.

WORKER ASSIGNMENTS

- A tentative warm-up schedule and worker assignment schedule will be posted on the Straehle website page. Warm-up schedules will be set based on location relative to Carroll Aquatics/Four Seasons and team worker assignments will be set based on last year's entries. Slight changes may be required to these schedules based on actual entries. In that event, we will communicate these changes to you via e-mail and/or phone message no later than **Monday July 22nd**. To alleviate the time-consuming switching of timers, we will have timers positioned at both ends of the pool. This will require more worker assignments per team, but the timesavings recognized will be worth the extra effort. We appreciate the help and support of every team fulfilling their responsibilities. Teams that do not fulfill their meet obligations will be reported to the Rules, Grievances, and Ethics Committee for possible sanctions.

POOL FACILITY

- The meet will be held at the Carroll Aquatics Swim Club's 8 lane, 25-meter competition pool. Starting blocks will be used for all events. Electronic timing will be available for all events via touchpad and/or push button timing and meet results will be tabulated by computer. Carroll Aquatics uses non-turbulent lane lines.

- The recreational pool will be available during the meet for warm-up/warm-down but will not have lane lines.
- Team tents/pop-ups will be allowed outside of the fence surrounding the pool, in the adjacent soccer field. This is the same as previous years.

STRAEHLE PROGRAM

- CASC is offering local advertisers and family "Spirit" ads for sale to be printed in the heat sheet program. Information is posted on the website that gives details on the advertising costs and submission.

DIRECTIONS

- Directions to both Carroll Aquatics Swim Club is included as well. Directions to the Carroll Aquatics Swim Club at Four Seasons can also be found on our website's Straehle page.
- PARKING WILL BE TIGHT – PLEASE ENCOURAGE CARPOOLING. We hope not to need overflow parking. However, if needed overflow parking will be at (the former) North Carroll High School.

We are looking forward to a great meet. Feel free to call with any questions. See you on July 24th.

Mike Kremer, Meet Manager for CASC
40 Fitzhugh Ave
Westminster MD 21157
Home Office: (410) 848-9806 (before 9:00pm please; coaches and team reps only)
