

March 26, 2020

Dear Lawrence Park Families,

We want to let you know that we are closely monitoring the ever evolving developments related to the COVID-19 pandemic. In this difficult and uncertain time, our hearts and thoughts are with everyone affected by this event. Please know that your health and safety are our first priority.

We know that summer recreation may not be your first thought. At this time, there has been no government declaration regarding public facilities during summer weeks. Keep in mind, summer is still two months away. The board is meeting this week to assess our situation and prepare for various scenarios, (if that changes.) if government declarations change.

We are certainly hoping that we will be able to open, and enjoy a relaxing, hot, splashy summer with our friends at the pool. Our volunteers are moving forward with our off-season duties to be ready to open our gates.

Lawrence Park Board
