

Chris Bobbitt

Hi, my name is Chris Bobbitt. My family and I have been Karakung Swim Club members for the past 19 years and I am completing my third term as a member of the Board of Directors. During the past 9 years I have served on the Snack Bar, Pools & Grounds and Finance committees, been a member of the Executive Board and have served as Vice President for the Club for 7 years. I have decided to run for reelection because I would like to continue making contributions to the Karakung tradition and serve an institution that is not only an important fixture in my family (well beyond the May-September months that the pool is actually open), but is also an integral part of our overall community.

If reelected, I will continue to provide my passion, energy, and knowledge to support our Club. My professional experience includes operations, planning & logistics, and business management primarily focused in the engineering & construction fields. Thank you for your support and I look forward to the opportunity to continue serving Karakung with integrity, honor and care during the next three years.
