

Caroline Petrillo

I am excited to express my interest in serving on the Board of Directors for Karakung Swim Club. As a lifelong member of this special community, I have had the privilege of witnessing the club's growth and positive impact on our neighborhood. My family and I spend countless hours at the pool; my son Matthew (6) loves to play wiffle ball with the big kids and you can always find Gracie (4) doing tricks in the bubble. As a nurse, I am dedicated to promoting the well-being of our members and ensuring a safe and inclusive environment for everyone. I am deeply committed to preserving and enhancing the club's traditions while contributing fresh perspectives that align with our evolving needs. I am enthusiastic about the opportunity to work collaboratively with fellow members to ensure the continued success of Karakung Swim Club.
