

Jordy Pickel

My name is Jordy I live with my wife Alex and two children, Lavinia and Raleigh, in Ardmore just down the street from Chestnutwold Elementary. For my family, our summers are filled with Karakung memories, from our kids in the swim team, scoring for the swim meets, and pretty much every afternoon just enjoying the pool. I'd like to continue helping to keep Karakung a great pool club and am hoping to join the board.
