

Mike Rosenberg

To the esteemed members of the Karakung Swim Club (KSC), I'm excited to throw my hat into the ring for a position on The Board. As a father of two energetic young boys I know the joy that a vibrant swim club can bring to a family. My own childhood was enriched by the memories I built at a similar club, and I'm eager to create the same magical (and safe) experiences for the KSC community. I bring a diverse skill set in operations, technology, and strategic partnerships, which I believe can add a dash of innovation and enthusiasm to the KSC board. My vision is simple yet profound: transparent communications, operations supported by sensible technologies, and creative events and programming. Together, we will maintain the KSC tradition and help families build the same core memories that we continue to build every summer. Let's make a splash together!
