### Safety Reminders

- Parents/Chaperones are responsible for distancing their children. Managers and Head Lifeguards may take an active role encouraging others to distance, but parents and chaperones must be the primary enforcers of all distancing.
- Mask compliance has been very good - please keep it up! Two places where masks are not required are in your family pod and in the pool. They are required everywhere else.
- Masks are now required for everyone two years old and up per Pennsylvania Department of Health requirements.

### Guests

Although the COVID-19 pandemic has prevented the admission of guests until now, the Board just approved a limited guest policy that will begin on Tuesday, July 21<sup>st</sup>.

- Guests will only be permitted Monday-Friday, from 5:00pm - close.
- The cost is \$5 per guest, and no more than 25 guests will be permitted each day, subject to limited manager discretion. Guest capacity will be tracked on the 'Occupancy Counter' on our main website page.
- Exact change is preferred/helpful. Only cash will be accepted.
- Each guest must have executed a KSC Guest COVID-19 Waiver. The waiver is available on our website under the 2020 Additional Info tab and on paper at the pool. If the guest is under age 18, the minor's parent or legal guardian (not the KSC member) must complete the waiver. There will be no exceptions to this requirement.
- Guests must conform to all Club rules, including masks and social distancing. Members are responsible for the conduct of their guests and for ensuring that they comply with Club rules.

### Capacity Counter

The real time capacity counter on our main website page remains active and updated throughout the day. We encourage all members to access that link in order to make the most informed decision for your family. The pool continues to be at its busiest from 2:00pm-4:00pm.

## Notifications Update

The text messaging system we were using, RainedOut, became cost prohibitive. Please monitor your email for capacity notifications and weather-related announcements.

## Master Swim

Master Swim has begun! Mondays, Wednesdays, and Thursdays from 5:30am to 6:30am, a limited lap swim session is available for experienced swimmers. The cost is \$5.00 per session and must be paid in cash with exact change. All master swimmers must have a COVID-19 waiver on file or complete a new one at the pool. Contact Sally Wolfe with questions ([sswlax22@verizon.net](mailto:sswlax22@verizon.net)).

## Swim Lessons

Private swim lessons are available. Please see one of the Managers. Group lessons are not available.
