## **RTSC MINI GATORS CLINIC**

### **A CLINIC TO ENCOURAGE KIDS TO SWIM!**

Ridley Township Swim club invites your children to be a part of the Mini Gators! This five-week clinic teaches kids the basic strokes, etiquette, and fun of being a part of our league swim team. Our assistant swim coach Erik will lead the team with some seasoned big buddy swimmers to help guide and teach our Minis to feel at home on a swim team. Swimmers must be confident in three-foot areas, and able to be left standing alone at times. Swim lessons prior are not mandatory, but highly encouraged.
