

On behalf of the Park West Pirates Swim Club Board of Directors, thank you all for your commitment and support of our team.

As you are well aware, the impacts of COVID-19 have greatly impacted our community, our country, and our everyday way of life. With so many unknowns right now, please know that we are positively looking forward to a wonderful 2020 summer swim program this year.

Earlier this month, the Park West Master Association took precautionary measures to aid in the possible spread of the COVID-19 within our community by suspending the opening of the community's swimming pools until further notice. Use of this or other like facilities is essential to the execution of our summer swim program. We continue to stay in communication with the Association regarding the anticipated opening of the swimming pool and facilities. Furthermore, the East Cooper Swim League will be meeting in April to discuss the impacts of COVID-19 on our 2020 season. Further announcements are anticipated in the coming weeks as this situation evolves. Please stay tuned to the Pirates Facebook page and website for further updates/communication in the coming weeks for additional updates. As decisions are made, we will certainly keep all parents/swimmers apprised of any actions taken by the League and/or The Park West Pirates. If a decision is ultimately made to cancel the upcoming summer swim season, a full refund of all applicable fees will be issued in the same manner as you paid (check or Venmo). **Please note that no refunds will be issued at this time until a decision on the upcoming season has been made by the Board of Directors.** If you have registered and have yet to pay, please contact us directly at parkwestpirates@gmail.com if you wish for us to maintain your registration or cancel.

Please continue to stay safe and let us know if we can answer any questions directly.

Warmest regards,
