Welcome Stingray Families,

The Franklin Park Stingrays would like to welcome all of our new and returning families to the 2018 ODSL Summer Swim Season. In this handbook you will find information that will hopefully be helpful throughout the swim season.

Swimming is a great activity for children of all ages and a fun team sport. We hope our swimmers set and pursue personal goals as well as gain the enthusiasm that comes with being part of a team.

Some of the aspects the team wants to promote are good sportsmanship, teamwork, a love of swimming, healthy competition and personal satisfaction.

Part of what makes our team a successful one is the help and encouragement from our parents. We hope you will encourage your swimmer to feel good about their personal achievements and know that you, as a volunteer, play an essential role for our team to be successful.

We are looking forward to a great season filled with hard work and just as much fun.

**GO STINGRAYS!!
SWIM FAST**

The Franklin Park Stingrays Team is an active member of the Old Dominion Swim League (ODSL). The ODSL was formed in 2004 as a developmentally competitive swim league. The objectives of the League are to develop a love for the sport, advance aquatic skills, teamwork, and the principles of good sportsmanship among the children and all adults participating in this program.

The Stingrays goal is to provide young swimmers with positive experiences through competitive swimming building memories that will last a lifetime.

We hope during this season our swimmers will master skills, achieve physical fitness and gain self-confidence. We want them to gain an understanding of sportsmanship, discipline and commitment. Our swimmers will understand that success results from hard work and goal setting and they will learn the value of being part of a team.

Another goal is to make swimming an important and enjoyable part of our swimmers' lives. We can reach this goal with the active support and participation of parents.

What we will do for our swimmers:

- Develop proper stroke mechanics and competitive technique
- Teach and emphasize good sportsmanship
- Increase self esteem and motivation, encourage hard work, goal setting, and goal achievement
- Instill the values of dedication, commitment, and team loyalty
- Encourage swimmers to strive for their personal best
- Provide an environment for our swimmers to reach their maximum potential

Swimmers are assigned to groups based on age and gender. The groups are: 6 & under, 7-8, 9-10, 11-12, 13-14 and 15-18. Each of these groups has a boy and girl group within them and is based on the swimmers age as of June 15, 2018.

COMMUNICATION

Following are different ways we communicate with the team:

1. E-mail and Newsletters are our main form of communicating with team members.
2. Website – www.franklinparkstingrays.com . Our website houses your account information, Event Sign-Up, Calendar and much more.
3. Clear File Boxes – these will be placed out on the counter during practices; each family will have a file folder according to their last name. Any paper, ribbons or medals will be placed here.
4. Facebook – “Franklin Park Stingrays”. This is a great place for swimsuit and equipment swaps and photos. This is a private, closed group.

If you have any questions, please contact us and we will get back as soon as possible. You can reach us through the “Contact Us” link on the home page of the website.

INCLEMENT WEATHER

You will be provided with a Short Message Service (SMS) contact number and/or cell phone application to register for text alerts regarding cancelations or last minute changes to a practice or an event.

The information will also be sent out via e-mail as soon as we are able to do so. If you have access to a smart phone, the SMS is the fastest and most efficient way of knowing changes in the quickest time.

We practice and have meets in the rain. The primary reason for canceling is safety. That involves thunderstorms or weather so severe the lifeguards are not able to properly monitor the safety of swimmers. If it's safe, we swim – rain or shine!

PRACTICE SCHEDULE

Pre-season Evening Practice May 29th – June 14th

Pre-Season practices run from 7:00- 8:00 pm.

We will have lanes reserved for the swim team only, although the pool will be open to the public. *Any sibling or parent at the pool other than the swim team member will be charged for admission by Franklin Park.*

Evening Clinics: The Stingrays hold evening clinics throughout the regular swim season on *Monday, Tuesday and Thursday evenings from 7pm-8pm*. The scope of the clinics will be determined by the coaching staff. As coaches have an opportunity to see skills of swimmers and areas that need further attention, a plan will be developed. Please see Coach Michele's weekly email (typically sent out Sunday evenings) to see the plan for the week.

PRACTICE GUIDELINES

- Swimmers will need the following items for practice:
 - a. Goggles
 - b. Silicone swim cap for girls and boys whose hair goes over their ears
 - c. Towel

*optional: swim fins
- Swimmers are expected to attend at least 2 practices per week to be eligible to swim in the meets.
- Arrive 5-10 minutes early.
- During morning practice parents are welcome but must remain in the grassy pavilion area to the side of the lap lane area of the pool. Parents may enter the pool area during morning practices for no fee since the pool is closed to the general public. However, this is for spectator purposes only. PLEASE stay in the spectator designated area as described above.
- Swimmers who need to swim at another swim practice time due to a schedule conflict may be permitted to do so IF it is cleared by the coach in advance.

Evening swim time:

*The Stingrays rent three lanes at Franklin Park several evenings a week from 7pm to 8pm. This pool time is often used for stroke development and must be limited as to the number of swimmers each evening since the pool has limited occupancy and is still open to the general public.

*When one of your swimmers is invited (for stroke development or an age appropriate event), then your swimmer's fee is covered as part of the rental fee paid by the team. Additional family members who wish to be at the pool at the same time must pay the entrance fee. Again, this is because of occupancy limitations since the pool is open to the general public pursuant to the evening price structure of the Franklin Park Pool.

SWIM MEET INFORMATION

How to sign up for meets:

Swimmers and volunteers must register online for each meet. An email will be sent announcing a new meet. Please do not reply to this email! Go to the website and follow the instructions to select YES or NO for each swimmer to attend the meet.

The steps if you **ARE GOING:**

1. Sign in on the website and click on the Events Tab
2. Find the meet date you are looking for
3. Click on "Attend/Decline" under the Swim Meet Name
4. Click on the Swimmer's name
5. Click on THE WORD "SELECT" to the right of *Declaration Signup record pull-down and select Yes
6. Pick the individual events the swimmer would prefer to swim. You may only pick 3 events (for Time Trials only you may swim all 5 events.)
7. Click Save Changes button at the bottom right of the page

Events chosen are not definite, just an indication of the swimmer's preference. Coach will enter each swimmer into the events she feels is the best choice after considering your swimmers preferences, her observations of ability and what's best for the team in general.

Relay teams are solely determined by the coaches; swimmers do not sign up for these online.

The steps if you **ARE NOT GOING:**

1. Sign in on the website and go to the Events Tab.
2. Find the meet date you are looking for
3. Click on "Attend/Decline" under the Swim Meet Name
4. Click on the Swimmer's name and select NO to the right of Declaration Signup record pull-down
5. Click Save Changes on the bottom of the page

*If it is prior to the meet registration deadline and you need to make changes to your swimmers events/meet attendance:

1. Sign in on the website and go to the Events Tab.
2. Find the meet date you are looking for
3. Click on “Edit Commitment” (pink box) under the Swim Meet Name
4. Click on the Swimmer’s name and make necessary changes
5. Click on “Save Changes” button at the bottom right of the page

*If your swimmer is already signed up for the meet, and you have an emergency (illness, etc.), notify the team using the link on the homepage **“Emergency Notification of Swim Meet Absence.”** This prevents your swimmer from being a no-show and helps us run the meet more efficiently.

The deadline to sign up for *Saturday* meets is the *Tuesday* before the meet.
The deadline to sign up for *Wednesday* meets is the *Friday* before the meet.

Please take note of the start times for each meet as they vary depending on the host pool of each meet.

DAY OF THE MEET

Swimmers must arrive 1 hour prior to the meet start time for check in and warm ups. When swimmers arrive they MUST go to the team area and check in with their age group Rounder or you may be scratched from the meet.

Volunteers MUST check in with the volunteer coordinator immediately upon arrival. Volunteers must arrive on-time or their volunteer position may be assigned to another and you will not be credited for volunteering that day.

Swimmers MUST stay in the team area with their age group. It helps the Rounders locate swimmers for events.

Swimmers MUST stay until the end of the swim meet. This is a team sport as well as an individual one and we are here to support all of the swimmers. Relays happen at the end of each meet and it is vital that ALL swimmers remain at the meet. If a relay swimmer leaves, it not only affects them, it affects the other 3 members on the relay team.

If a swimmer must leave early, they need to notify their rounder and the Head Clerk of Course as soon as possible prior to leaving.

Swimmers who do not “show” for swim meets (unless an illness or emergency occurs) WILL NOT swim in the following meet (Saturday or Wednesday).

At the end of the meet everyone is expected to pitch in, help clean up and re-organize the pool area. This goes very quickly when we have plenty of help.

The meet will run approximately four hours from set up to clean up. Please make sure you pack a cooler with water and food for your family. Some pools will have concessions available. Franklin Park will open the pool concession during home meets with light snacks, coffee, tea and drinks.

SWIM-UPS (Coach's decision)

Swimmers may compete only in their own age group and up to one higher age group for individual events and two higher age groups for relays.

Swim-ups are allowed, but only when no other swimmers are eligible to fill that particular race. There will be no swim-ups allowed in the end-of-season meets.

END OF SEASON MEETS

There are two end-of-the-season meets, Divisionals and All Stars. Swimmers may only swim in one End of Season Meet.

Divisionals: (no qualifying times) Swimmers must swim in at least two season meets to qualify for Divisionals.

All Stars: (qualifying times)

- Cut-off times will be established for All-Stars during the season
- Any swimmer that achieves the cut-off time or faster will qualify for All-Stars in that event.

If a swimmer only qualifies for one event for All-Stars, the swimmer may choose to go to All-Stars in the qualified event **OR** go to the Divisional Meet in any other event except the one qualified for in All-Stars.

If the swimmer chooses to swim at the Divisional Meet, the swimmer **MAY NOT** swim the event he/she qualified for in All-Stars.

ILLNESS OR INJURY

Whenever possible, the coach should be informed in advance of an illness or injury. Regardless of how serious or trivial it may be. If your swimmer will be out of the water over a long period of time with an injury or illness, please inform us as soon as possible.

VOLUNTEER INFORMATION

Volunteers are vital to our team and running of the meets. It takes over 40 Stingray volunteers to run a home meet and about 35 Stingray volunteers to run an away meet.

It can be very overwhelming especially if you are new to the sport of swimming. We guarantee that there will always be someone to help you out if you are unsure of what to do. Please ask questions if needed and, as they say, no question is a dumb question.

- Each family is required to volunteer for four meets (16 hours) during the season. If volunteer requirements are not met, the family WILL NOT be eligible to return to the Stingrays for the following season. Volunteer hours are tracked.
- Sign up volunteer positions will be on the website. When you sign up your child for the meet, sign up to volunteer. Volunteer signup will be available the week before each meet. (Please volunteer throughout the season and not just rush to complete your minimum in the first few events. We need volunteers for the last events as much as we need volunteers for the earlier events of the season.)
- Job descriptions are on the website under the volunteer tab with a link to the descriptions
- If you do sign up and are not able to fulfill your commitment at the meet, make sure you remove yourself on the website so someone else can fill your spot. If this is after the cut off date, please notify a board member by email. Those hours will then be credited to the actual volunteer. You will need to sign-up for another event to continue fulfilling your family requirement.
- Please don't be afraid to sign up for something if you haven't done it before. There will always be someone there to help you out!

- Rounders will have the swim schedule for their swimmers and are responsible for getting their swimmers to the Clerk of Course in a timely manner.
- Timers will time for the entire meet, you will be able to take bathroom breaks as there will be relief timers available. If you are a relief timer, this does not count for your four meets unless you work the meet.

If you sign up and are NOT able to be at the meet, please notify the Volunteer Coordinators by email ASAP.

How to sign up for volunteer positions for meets:

1. Log into the website, click on events
2. Find the date of the event
3. Click on “job sign-up” under the date
4. Find job you want
5. Click on small white box (check will appear)
6. Click on “sign-up” at the bottom of the page
7. Confirm sign-up

Volunteers must check in with the volunteer coordinator immediately upon arrival at the meet. If you are not there on time, the team must assume that there is a last minute emergency which is keeping you from the meet. In this case, the coordinator must quickly find a replacement for that position as every position is required to run a smooth meet. If your position has been re-assigned to another because you are tardy, you will have to find another opportunity to fulfill your volunteer hours. The person filling the job for that meet will be credited with the hours worked.
