

Fairview Swim and Tennis Club

Phase 3 Procedures and Policies

Under Virginia's Phase 3 plan, free play in the pool is permitted. Our baby pools will open. Diving boards remain open. Deck and grass seating is permitted.

All members must have a signed COVID-19 waiver on file prior to entering the Fairview facility.

All guests must complete the Fairview Guest Entry Form. For minors visiting Fairview, the Guest Entry Form must be signed by a parent or guardian. Guest fees must be paid by cash or check prior to entry.

Pool Hours: Monday-Thursday: 12:00 PM- 7:00 PM

Friday: 12:00 PM- 8:00 PM. The deck will stay open later, but swimmers must exit the pool at 8:00.

Saturday-Sunday: 12:00 PM- 8:00 PM

Lap Lane Activity: A limited number of lap lanes will be open for lap swim, water walking, water jogging, and water exercise. Members will sign up for lap lane slots using the SignUpGenius that will be sent by email the prior Saturday by noon. We will monitor lap lane reservations and will adjust the number of lanes to meet the needs of our lap swimming members.

- Lanes may be reserved in 1 hour slots
- Members may sign up for 1 slot per day per household. If slots remain at 10:00 AM, a member may sign up for 1 additional slot that day. Family members must share a lap lane.
- Lap lanes may not be reserved for sole use by a Fairview guest. Guests may share a lane with a member. If the guest is not of the same household as the member, they must remain 10 feet apart while using the lane.
- Lanes not used by 20 minutes past the hour will be released to members on site for use. If you are running late for your reservation, please email us at FairviewClubCville@gmail.com to let us know you're on your way.
- Unrelated lap swimmers may share a lap lane. Unrelated lap swimmers should remain 10 feet apart where possible. Passing in a lane is permitted.
- Swimmers should continue to bring their own equipment (kick boards, pull buoys, etc.)

Diving Well: Diving boards will be open during normal operating hours. No sign up is needed to use the diving boards. The diving well will now also be open for free play when divers are not present.

- One diver may be on each diving board at a time
- Divers and swimmers must be able to exit the pool at the side of the diving well
- Weak swimmers may wear flotation devices while using the diving boards
- Divers should stand at least 10 feet away from other divers while waiting in line. 10 foot intervals are marked on the pool deck.
- Swimmers engaged in free play in the diving well must remain 10 feet apart from other swimmers.

Seating areas: Lounge chairs will be placed in small groups on the grassy areas next to the pool deck. Each group of chairs will be at least 10 feet from the next closest group. Members may use these chairs for relaxation and as a place to leave their belongings while in the pool. A limited number of tables will be available on the deck and in the grass. Tables and chairs are at least 10 feet apart and should not be moved. Use is first come, first served. No sign up required.

- Tables and chairs will be disinfected by pool staff between each use
- Members may bring their own chairs to the pool. Please consult with the gate guard at entry for proper chair placement.
- Members not of the same household should remain 10 feet apart while sitting on deck or in the grass.

Cornhole: The Fairview cornhole boards will be available for member use. No sign up required.

- Members must bring their own bags, as it is not possible to properly disinfect cornhole bags
- Players should remain 10 feet from each other

Bathrooms: Bathrooms will remain open during Phase 3. The showers and changing stalls will remain closed for general use.

- Masks should be worn when using the Fairview bathrooms
- One person will be allowed in each bathroom at a time
- One toilet stall and one sink are open at a time in each bathroom
- Young children that need assistance with toileting may have one parent accompany them
- Pool staff will disinfect touch surfaces after each use

- Members must remain 10 feet away from each other while waiting in line to use the bathroom
- If you have a need to use the shower and changing stalls (such as if you are swimming laps before work), please email us at FairviewClubCville@gmail.com to discuss options

Grills: Gas grills will open for member use

- Members should bring their own grilling utensils
- Members should use the provided disinfectants to clean grill knobs and handles after use

Adult and Teen Yoga: Adult yoga will be held every Tuesday and Friday evening from 5:00-5:45 in the grassy area behind the starting blocks. Yoga is free for Fairview members and guests that have paid entry fees to the club. Please bring your own mat (a thick mat is suggested) and water bottle.

- Yoga participants not of the same household should set their mats up at least 10 feet from other participants
- No sign up is necessary

Swim Team: Swim team will continue through Saturday, August 1. We are still accepting new members. Swim team practice will be held Monday through Saturday of each week. Intersquad meets have been scheduled, and we are working with several area teams to schedule dual meets.

- Practices will be 1 hour each, beginning at 9:00, 10:00, and 11:00 AM. Swimmers will be divided by age and ability level.
- All unrelated swimmers must remain at least 10 feet apart.
- Under Phase 3, there is no maximum number of swimmers permitted in a lane. Unrelated swimmers must remain 10 feet apart. Passing is permitted.

Seahorse Snack Shack

The Snack Shack is open. While we won't serve hot foods this summer, we have a great selection of candy, chips and popcorn, ice cream, drinks, and snow cones for sale.

To minimize the handling of cash for our staff, this year's snack bar is by prepaid account only. Members can put an amount of money of their choosing on their account (payment by cash, check, or VENMO to FairviewClub). Accounts may be opened at the snack bar any time it is open. Any money left over at the end of the summer will be refunded to the account holder.

Members are asked to wear a mask when ordering at the Snack Shack. Employees in the Snack Shack will be masked when facing customers.

Check in Procedures

All members should park in the parking lot (handicapped members may park in the grassy area by the volleyball court) and line up to enter the pool through the upper gate, located near the sand volleyball court. Swimmers should arrive with their swimsuit on, as changing facilities will not be available. Members must put on a face covering (mask, scarf, bandana, etc.) prior to approaching the gate. Members should stand no less than 6 feet away from non-related members while waiting to check in. Six-foot intervals will be clearly marked on the grass. Upon reaching the gate:

1. Give the name of each member to the gate attendant, who will be a trained Fairview employee wearing a face mask.
2. All members entering the facility will have their temperature checked by the gate attendant using a no-touch thermometer. Any member with a temperature over 100.4 will not be permitted to enter the facility. If requested, an individual with a temperature over 100.4 may have a repeat temperature taken 5 minutes after the initial reading. If the second reading is under 100.4, the member may enter the facility.
3. All members entering the facility will be asked the following health screening questions:
 - a. Do you have any of the following: new muscle aches that cannot be attributed to a specific activity (such as physical exercise), a fever over 100.4 degrees Fahrenheit or higher or a sense of having a fever, a new cough, new shortness of breath, new chills, or a new sore throat?
 - b. Have you been exposed to a COVID-19 case in the prior 14 days?
4. Answers to these questions, as well as the temperature reading, will be securely stored using the Cleared for Entry software package. Only Fairview employees and the Fairview Board of Directors will be able to access responses.
5. Once cleared for entry, each member entering the facility must use the provided hand sanitizer.

Inclement weather policy: In the event of thunder or lightening, members that have driven to the pool will be asked to return to their car. Members that walked or biked to the pool will be asked to stay socially distanced under the overhang until it is safe to leave. At the conclusion of the storm, upon reentering the pool, members must use the provided hand sanitizer.

Baby pools: The baby and toddler pools will be open under Phase 3. Pool users should remain 10 feet apart.

Member Responsibilities: All individuals entering the Fairview facility during the 2020 season must adhere to the following regulations:

1. If the member or an individual in the member's household tests positive for COVID-19, the Fairview Board of Directors should be contacted by e-mail: FairviewClubCville@gmail.com. These individuals will not be permitted to enter the facility until they have been asymptomatic for 14 days.
2. Members must accurately and honestly answer the screening questions prior to entry to the facility.
3. Members entering the facility may not take any fever reducing agents for the 12 hours preceding entry to the club.
4. It is imperative that all individuals entering our facility complete the screening process. Should a swimmer or parent/ guardian that entered the facility test positive for COVID-19 at a later date, we will use this information to inform all members that entered the facility that day of the positive test.
5. All members must maintain social distancing while on Fairview grounds. Failure to practice social distancing or failure to listen to instructions given by Fairview employees can result in suspension of membership.
6. If you or a member of your family travels to an area with a high number of cases, we ask that you be extra diligent with social distancing guidelines. For current county level COVID-19 incidence and mortality data, please click here:

<https://www.cdc.gov/coronavirus/2019-ncov/cases-updates/county-map.html>

In accordance with Virginia Phase 3 Guidelines, Fairview will limit the number of members allowed in the facility to 75% of our maximum capacity. At this time, we do not anticipate the need for a reservation system but will reassess if we are unable to remain within acceptable numbers.

Thank you for your patience as we navigate CDC guidance and the Virginia state regulations. If you have suggestions for improvement, concerns, or ideas for additional programming, please e-mail us at FairviewClubCville@gmail.com.
