### Summer 2021 COVID Policies and Procedures

As of 12:01 AM on Friday, May 28, the Virginia governor is terminating the restrictions in Executive Order 72 and is implementing [Executive Order 79](#). Under Executive Order 79, Virginia will follow CDC guidance on mask wearing and social distancing. As of May 26, 2021, CDC guidance states that “fully vaccinated people no longer need to wear a mask or physically distance in any setting, except where required by federal state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.”

In response, Fairview has implemented the following rules for the 2021 summer season.

**Entry Procedures:** All members and their guests (see next section) must check in at the check in desk, located near the sand volleyball court. In accordance with CDC guidelines, temperatures will not be taken. The gate guard on duty will record the time of entry for everyone entering the club.

Fully vaccinated individuals, defined as 14 days from receipt of the final injection, do not need to wear a mask at check in. We ask that individual not fully vaccinated consider wearing a mask at check in.

**Disinfection:** Fairview staff will regularly disinfect all high-touch surfaces, including but not limited to, doorknobs, the snack bar counter, and bathrooms.

**Guest Policy:** All guests must complete the Fairview Guest Entry Form. For minors visiting Fairview, the Guest Entry Form must be signed by a parent or guardian. Guest fees must be paid by cash, check, or Venmo (@FairviewClub) prior to entry.

**Party Reservations:** Fairview will permit party reservations by members and non-members. For details on our party reservation policy, click [here](#).

**Diving Well:** Diving boards will be open during normal operating hours. No sign up is needed to use the diving boards. The diving well will also be open for free play when divers are not present.

- One diver may be on each diving board at a time
- Divers and swimmers must be able to exit the pool at the side of the diving well
- Weak swimmers may wear flotation devices while using the diving boards

**Seating areas:** Lounge chairs will be placed on the pool deck and in small groups on the grassy areas next to the pool deck. Use is first come, first served. No sign up required.

Members can put an amount of money of their choosing on their account (payment by cash, check, or VENMO to @FairviewClub). Accounts may be opened at the snack bar any time it is open. Any money left over at the end of the summer will be refunded to the account holder.

**Baby pools:** The baby and toddler pools will be open.

**Lap Lanesuar:** A limited number of lap lanes will be open for lap swim, water walking, water jogging, and water exercise. Members will sign up for lap lane slots using the SignUpGenius that will be sent by email the prior Saturday by noon. Fairview staff will monitor lap lane reservations and will adjust the number of lanes to meet the needs of our lap swimming members.

- Lanes may be reserved in 1 hour slots
- Members may sign up for 1 slot per day per household. If slots remain at 10:00 AM, a member may sign up for 1 additional slot that day.
- Lap lanes may not be reserved for sole use by a Fairview guest. Guests may share a lane with a member.
- Lanes not used by 20 minutes past the hour will be released to members on site for use. If you are running late for your reservation, please email us at [FairviewClubCville@gmail.com](mailto:FairviewClubCville@gmail.com) to let us know you're on your way.
