

Maryville - Alcoa Flying Dolphins

Dolphins Sponsors

The Maryville-Alcoa Flying Dolphins is a non-profit summer swim team serving the greater Blount County area. We traditionally serve approximately one hundred twenty swimmers each year. Were you to sponsor us, your business name or logo would be seen on our team shirt as well as on a banner displayed at Springbrook Pool during the summer swim season. This year the Flying Dolphins will host our primary fundraiser: ***The Smoky Mountain Invitational***. Your name or logo will be proudly displayed at this event which brings hundreds of swimmers and their families from the greater Knoxville area to Springbrook Pool in July. Unfortunately, due to the pandemic, we were unable to host this event last year, which placed our season startup funds in a bind and we need your support now more than ever.

Your donation would go towards:

- Coaches' salaries
- Lifeguard fees
- Equipment (such as computers, timing equipment, lane ropes)
- Scholarship for a graduating senior swimmer

How we show your support:

- Back of team shirt with tiered system of sponsorship
- Banner with tiered system displayed at Springbrook Pool
- Team website
- Team Facebook page

The participation deadline for both shirts and banner is June 10, 2021.

Maryville / Alcoa Flying Dolphins

The Dolphins have a long history of providing an enriching and inexpensive service to the community for nearly 50 years. We have been able to keep our services inexpensive with the help of the Smoky Mountain Invitational—our annual fundraiser. Because COVID-19 statistics are trending in the right direction we are planning to host SMI this year. But unfortunately, without the revenue from last year our team faces financial challenges. The \$95/swimmer registration fee you pay each season, provides for the use of the pools and half of the coaches' salaries; money for the rest of the salaries, team/pool equipment, as well as for special team events comes from SMI. While we are looking for business sponsors of every level, we are hoping to rely on you for an extra donation. Every donation made this year will help to ensure a secure start to the 2022 season.

If you prefer to make an online donation, please go to our GoFundMe page and help support the Dolphins. A tax-deduction receipt will be provided after the online transaction.
