

Dear Waves Families -

With the exception of our coaching staff, every hour of work that goes into the Goodman Waves is on a volunteer basis. Would you believe that we clock around 2,500 volunteer hours in a calendar year? While we have a volunteer parent Board of Directors, the bulk of the volunteer requirements for the Waves revolve around our hosted home meets. Our expectation is that families who have a swimmer or diver competing in a home meet, volunteer to help run the meet. The Waves have a proud tradition of hosting some of the best meets in the league and this is because of you.

We are very excited to be hosting our first ever All City Dive meet (July 27 – 28) when nearly 300 divers and their families from around the league will participate in this annual event at our home pool! Volunteering has always been an important part of the Goodman Waves Swim & Dive team but in 2020 the expectations will step up a notch.

To pull off this incredible event, we will need your help even if your child(ren) do not plan to participate in the All City Dive meet. **Dive families will be required to commit to 2 volunteer spots per parent for the 2020 All City Dive Meet. This will be REQUIRED to be a member of the team. The required volunteering opportunities will begin late Sunday, July 26 through Tuesday, July 28. Please set aside these dates on your calendar.**

If your family has extenuating circumstances that prevent you from volunteering those days, please let us know ASAP via email so that we may find something else for you to do to fulfil your volunteer requirements. We will do our best to accommodate families with special needs or in special circumstances, while at the same time being fair to everyone who volunteers. It is imperative that we have all hands on deck to ensure a fun, safe All City Dive meet for the nearly 300 All City divers.

More info to follow on how to sign up.
