TRI-SYNERG CAMP @ INDIANA UNIVERSITY

- Location:* Indiana University, Bloomington, Indiana
Coaches: IU Coach Drew Johansen
Website: <https://trisynerg.com/>
Pros: Long history of top diving camps
Cons: Rumor is that these camps are not as serious as Ripfest

Other Camps: *Purdue* The Purdue diving camps with Purdue Coach Adam Soldati were some of the most popular camps to attend. However, in 2015 the school stopped hosting summer diving camps. Please continue to monitor the Purdue site as the camps may re-emerge in the future.

Other If you are seeking to attend camp in order to make contacts for college, then you need to attend camp at the schools in which you are interested—at least in the same area of the country. For example, if you are interested in diving in college in Arizona, you should attend a camp in that area.
