Develop and maintain a high level of discipline, perseverance and determination that results in positive competition.

### SPORTSMANSHIP

Demonstrate integrity, respect, responsibility and accountability in our behavior towards others and ourselves.

### A GREAT PLACE TO SWIM

Create a fun, encouraging environment that fosters a positive attitude about the sport of swimming, our teammates, our coaches, and ourselves.

## OUR TEAM GOALS

1. Swimmers will be instructed in the proper technique of the four swim strokes.
2. Coaches will utilize endurance training and instruction of proper take offs, turns and finishes.
3. Parent volunteer committees shall be coordinated to include all parents in the running of swim meets, Championships, social events and fundraising events.
4. Social activities that help develop camaraderie & team spirit among team members will be planned.
5. Appropriate behavior, good sportsmanship and respect of all club properties/facilities by swimmers and parents will be expected at all times.
6. Parents will be supportive of coaches and use appropriate procedure for complaints.

## COACHING STAFF

The coaches are employees of the club and report to the JRR Club Manager.

The coaches shall understand and accept the philosophy of the team and the NorCal Swim League. They shall provide examples of leadership, cooperation and good sportsmanship to the team members. The coaches shall attempt to foster these qualities in the swimmers.

In the event of a violation of the Swimmer Code of Conduct agreement and/or general deck rules, or any behavior deemed unacceptable at any team function, the coaches shall have the discretion to enforce disciplinary action including suspension or expulsion from the team. Junior coaching staff shall defer disciplinary action to the Head Coach or Age Group Coach.

The coaches shall familiarize themselves with each swimmer's abilities and instruct each swimmer so that the swimmer learns the proper techniques for each stroke, starts, turns, and touches. The team intends that the techniques of each swimmer and his or her times will improve over the course of the season.

The coaches shall schedule swimmers for the meets in a manner that is consistent with the philosophy expressed in this handbook and league rules.

## PRACTICES

Practice begins on **the first weekday in April** and continues Monday through Friday until the Championships Meet in July. Regular season practices end after Championships.

- Each season the team issues a practice schedule with the practice times for each age group/level.
- During the school year, practices are conducted after school in the afternoon/early evening. Practice times move to mornings during the summer break.
- Each swimmer should allow at least ten (10) minutes before the scheduled practice time for dry land training and/or instructional videos in the "den".
- Swimmers should not enter the water until invited by their coach and must not remain in the pool after their scheduled time ends. **The Coaches are not responsible for children in the water after their practice ends.**
- Practice is only canceled in the event of electrical storms and severe wind. Rain, hail, or cold weather is not grounds for canceling practice.
- Parents are welcome to observe practice from the deck, but should not approach coaches on deck during practice. Any questions or concerns for the coaches should be emailed to the coach or to any of the board members.

## JOINING THE SWIM TEAM:

The number of swimmers in any age group will be at the coach's discretion, with priority given to those swimmers that meet the requirements outlined in the SWIMMER RESPONSIBILITIES, Item 3 within the Handbook.

## REGISTRATION, CONDITIONS, SWIM TRYOUTS:

Registration will be conducted online at the team website: [www.johnsonranchbarracudas.com](http://www.johnsonranchbarracudas.com). The current year's registration schedule will be posted on the website and included in the JRRR newsletter and Swim Team Bulletin Board at least 4 weeks prior to the start of registration. A closing date for registration will be determined each year as the need dictates in order to fill the various age groups.

7. Use appropriate procedure to resolve conflicts (see below).

## CONFLICT RESOLUTION PROCEDURE

When a conflict arises between parents and coaches, email is the best way to communicate any concerns you may have. If you prefer to meet in person, the following steps should be taken:

1. Avoid discussing the issue with other parents or coaches on deck.
2. Schedule a specific time to meet with a coach via phone or email with a reason for the meeting.
3. Be prepared with specific concerns and suggestions to resolve the issue.
4. If the conflict is not resolved, the parent should take the written complaint to a member of the swim team board and if it is still unresolved, contact the Club Manager at JRRR.
5. Email addresses for all coaches and specific board members can be found on the team website. To reach the entire board please use: [board@johnsonranchbarracudas.com](mailto:board@johnsonranchbarracudas.com)

## PARENT VOLUNTEER POSITIONS

Parent volunteers are essential to the sport of swimming! In order to maintain efficiently run swim meets, fun social activities, and fundraising events, ALL parents are required to volunteer several hours each swim season. This benefits each and every swimmer on our team!

**Parents can meet their volunteer requirement for the regular season in one of the following ways:**

1. By signing up on the team website for 6 shifts during the regular season. (a description of each job can be found on the website)
2. By volunteering as a Coordinator for a particular job for the entire season\*. (i.e. "Hospitality Coordinator")
3. By serving on a specific time intensive committee for the entire season\*. (i.e. "Social Committee")
4. By serving on the Board of Directors for the entire year\*.

Each shift is approximately half the duration of the swim meet, with some exceptions. Most shifts allow for flexibility to view your swimmers events.

If you cannot make a shift you have signed up for, please contact the volunteer coordinator at least 1 week before the scheduled shift. You may be asked to find a replacement or 'trade' with another family. You will still be required to meet the six (6) shift requirement for the regular season.

Failure to show up or cover your volunteer shift will require the submission of a check in the amount of \$500.00, payable to the Johnson Ranch Barracudas.

- a. This deposit will be fully refunded if all meet and championship obligations are met, but will be forfeited if they are not.
- b. Swimmers will not be able to participate in meets until the deposit has been submitted.

\*If you are interested in volunteering for an open Coordinator position, season-long Committee position, or open Board position, please contact the Parent Volunteer Coordinator at [volunteer@johnsonranchbarracudas.com](mailto:volunteer@johnsonranchbarracudas.com)

## CHAMPIONSHIPS MEET VOLUNTEER REQUIREMENT

Our league Championships Meet ('Champs') is a huge, rewarding endeavor requiring parent volunteers from ALL teams in our conference. Each family in attendance at Champs (in late July) is required to volunteer 2-3 shifts over the course of the weekend, depending on needs determined by the league. Champs shifts are IN ADDITION TO the six (6) shift requirement for the regular season.

## JOHNSON RANCH SUMMER INVITATIONAL VOLUNTEER REQUIREMENT

This is an all-hands-on-deck event! If your swimmer(s) is planning to attend this meet, please prepare to volunteer in any capacity needed. Our goal is to run a high-quality, organized event to give all area swimmers once last opportunity to swim fast before Championships. JRRC Invitational shifts are IN ADDITION TO the six (6) shift requirement for the regular season.

## SWIM MEETS

This portion of the handbook describes the events leading up to each swim meet and the sequence of events at each meet.

## MEET SCHEDULE

Each season the league establishes a schedule for the team league meets, possible non-league meets, Invitational meets, and the league Championships Meet (in late July). The league strives for a balance between 'home' and 'away' meets.

- Most meets occur on Saturday mornings, with the occasional exception.
- The Championships Meet (in July) is a 2-day meet occurring on Saturday and Sunday.
- The meet schedule for the season will be established before the beginning of the season and posted to the team website for planning purposes.
- "Dual Meets" (meets with one other team) generally last from 6:45am at check-in until around 2pm.

## THE EVENTS

There are three types of events at each meet:

1. **Individual Events** (in which a single swimmer competes in one of the following strokes):
  - a. Backstroke
  - b. Breaststroke
  - c. Butterfly (or "Fly")
  - d. Freestyle (or crawl or "free")
2. **Individual Medley or 'IM'**: (in which a single swimmer swims one length each of the four strokes in the following order: fly, back, breast, free)
3. **Relays** (in which 4 swimmers compete in a single relay event of two types):
  - a. Freestyle relays where each swimmer swims freestyle
  - b. Medley relays where each swimmer swims a different stroke in the following order: back, breast, fly, free

Per league Bylaws, swimmers may swim in no more than three (3) individual events and two (2) relay events (except 15-18 swimmers). The number of swimmers in a given event and the number of heats per event may be limited as well. **The swimmers who compose the relay teams for any given swim meet are selected by the coaches, at their discretion, on the basis of team needs within the age group for the strokes involved.**

Boys and girls compete separately in the following age groups, as determined by their age on June 15th:

6 & under	7-8	9-10	11-12	13-14	15-18
-----------	-----	------	-------	-------	-------

Events are organized by age group and stroke. Although there are some variations, generally all the events for a particular stroke are conducted in one block. Then, all the events for the next stroke are conducted.

6 & under boys & girls typically swim only Freestyle and Backstroke events and have 1 relay at the start of the meet.

## SIGN-IN / SIGN OUT OF MEETS

- All swimmers and parents must sign 'In' or 'Out' of each meet they will be attending using the team website. The sign-in/out deadline is the Saturday prior to the next weekends meet.

- When signing in for a meet, please make sure swimmers select the strokes they would like to swim and add comments or notes for the coach's review. Coaches ultimately determine the events that swimmers will swim based on the needs of the team.
- Any swimmer who cannot attend a meet **MUST** sign out of the meet on the team website by the registration deadline for the meet. A swimmer who 'no shows' will be subject to sanction at the coach's discretion.
- Any swimmer who plans to attend a meet, but forgot to sign in by the deadline, should contact a coach or board member immediately.
- If a child is sick the day of the meet, parents should call to notify a coach, board member, or the check-in coordinator **no later than 7 a.m. on the morning of the meet.**
- Any swimmer/family who cannot attend the Championships Meet must contact the board **in writing at least one (1) month prior** with a reason for the request to be excused.

## MEET ENTRIES

Meet entries are the events each swimmer will compete in at a particular meet. Preliminary meet entries can be found on the team website at least 24 hours before the meet under your account. Final meet entry information (including heat/lane) can be found:

- In the "Final Meet Program" posted at the meet
- On the Meet Mobile app for smartphones
- On the Parent On Deck app for smartphones

**Swimmers/Parents: Check the website to see if you are signed in to the meet!** Be sure to check the posted final report for changes as well. Check with your age group coach to see if any changes have been made to relay teams.

## DISQUALIFICATION:

Each of the four strokes (Freestyle, Backstroke, Breaststroke, and Butterfly) has rules governing the proper, legal technique of the stroke and turn so as to not gain an advantage over a competing swimmer. In addition, rules governing proper starts and finishes apply. In the event of an illegal stroke, turn, start or finish, a swimmer may be disqualified (DQ'd) from an event. Please refer to [USA Swimming's Rules and Regulations page](#) for more information:

Swimmers who "false start" as defined in USA Swimming Rules and Regulations will be disqualified as follows:

1. Swimmers in 6&under, 7/8 and 9/10 age groups are allowed one (1) "false start" per event. In the event of a second false start by any swimmer in the same heat, the offender of the second false start will be disqualified and not permitted to swim the event.
2. Swimmers in 11/12, 13/14 and 15/18 age groups who "false start" will be disqualified immediately and not permitted to swim the event.

Coaches shall make an effort to constructively discuss DQ's with swimmers at the meet or at practice after the meet. Swimmers who DQ for any reason shall not receive an official time or a ribbon for that event. DQ's shall be viewed as an opportunity for swimmers to learn and work with coaches toward stroke mastery.

## RIBBONS AND AWARDS:

Ribbons are given to every swimmer based on their finish in their heat. Points for the team are only awarded for finishes in the first heat of each event. Ribbons will be placed in swimmer files in the Swim Team File Box following the meet and can be picked up at the next practice. Swimmers and parents should not go to the scoring table during the meet for ribbons.

Ribbons are not given for Time Trials. Special awards and recognition may be given to swimmers for team, conference and league records, personal best times, scoring at Invitational Meets, high point, overall improvement during the season and sportsmanship.

Awards for "High Point" are given to the top 3 point scorers in each age group at the Championships meet.

## LEAGUE CHAMPIONSHIP MEET

The League Championships Meet is held at the end of each season on a Saturday and Sunday in late July. All five (5) teams in our conference compete. The location will vary from year to year and is determined by the league.

### ENTRIES & ELIGIBILITY

1. A League participant must swim in at least two (2) events (not including relays) in at least two (2) league dual meets during the regular season to qualify for participation in the Championship meet. For purposes of this Section IV.A., the term "League dual meet" is defined as any dual meet occurring on a Saturday between two teams as defined in Article 3 of the league Bylaws. In addition to the foregoing requirement, a copy of a Northern California Swim League Application and a copy of a birth certificate for each League participant must be submitted to the League

Registrar by the League participant's team no later than July 1 of the current regular season to qualify for participation in the Championship meet.

2. In order for a swimmer to enter an event, the swimmer must have a seeding time taken from either a league meet, a practice meet or a time trial conducted by a Team official or coach. The swimmer's best-recorded time in each event must be utilized for championship seeding purposes. In simple terms, entries with "No Times" will not be allowed.

### CHAMPIONSHIPS MEET INFORMATION

The Championships Meet is a 2-day meet that follows a preliminary heats and finals format. Attendance at Championships is mandatory for all eligible swimmers. Check the team website for the date and location of Championships and plan accordingly. Families with 6 & under swimmers only should plan to attend on Saturday only, as their events and award ceremony will conclude Saturday evening.

Depending on the location of Championships, some families choose to stay at a hotel Friday and/or Saturday nights. Make your reservation early!

Swimmers will swim all strokes in which they have "legal" technique.

Parents will be required to work approximately 2-3 volunteer shifts over the course of the weekend, as determined by the league. Sign-up for these shifts will take place on our team website 2-3 weeks before the Championships Meet. These shifts are IN ADDITION TO the 6 regular season shifts.

Each team will be assigned a team area at Championships and all Barracuda families are encouraged to set up their tents/chairs in our team area.

Teams may set up family tents on Friday evening before the meet and can leave their tent frame overnight. You may set up your tent Saturday morning if you choose.

Additional detailed information regarding Championships will be sent by the Championships Representative and/or the League Representative as the meet approaches.

## PREPARING FOR A SWIM MEET

### BEFORE THE MEET

Prepare to assume duties as required. **Certain shifts may require you to arrive earlier. (i.e. Set-up, Age Group Parent, Check-in table staff)**
2. Check in with your committee head and be on time for your shift.
3. Shift one (1) begins at the start of the meet and typically ends after the last backstroke event. Shift two (2) begins at the start of all long freestyle events and lasts until the end of the meet. There are some exceptions.

Unless you are authorized to be in such areas, please keep out.

Parents of young swimmers should try not to enter the Ready Bench area. Ready Bench volunteers and Age Group/Assistant/Junior Coaches may assist and encourage apprehensive younger swimmers.

The following are strictly prohibited in the pool area:

- Smoking
- Glass containers
- Alcoholic beverages
- Profanity or abusive language

The Meet Referee has the authority to eject any person from the pool area who is not abiding by these rules.

## HOW A MEET WORKS

Once you have arrived, checked-in, warmed-up with your level, checked the posted 'Final Meet Report' and marked your event information on your arm, the meet is almost ready to begin!

A typical meet consists of 83 events, running in order starting with Event #1 (6 & under Mixed Freestyle Relays). Each event consists of several heats usually with the fastest heats swum first.

### When the meet begins:

- The announcer will call for certain events to report to the Ready Bench Area.
- When one of your events is called, check in with your age group coach if possible, and then go to the Ready Area.
- You will be placed in the Ready Area according to your heat and lane assignment for that event.
- You will move up until your heat is ready to swim.
- Proceed to the starting blocks when directed.
- The Starter will then call for swimmers to step up on the blocks (or enter pool for Backstroke). Do not step on blocks or enter pool until directed by the Starter.
- The Starter will command you to "Take your mark". Then will sound the loud "beep" which signals you to begin your race.
- Once you have finished your race, shake hands with swimmers in neighboring lanes then exit the pool promptly. If possible, check in with your age group coach for feedback.
- Return to the 'team area' and listen for the announcer to call your next event to the Ready Bench.

**All swimmers are strongly encouraged to remain at the meet until it is over. The Barracudas have a strong tradition of cheering on their teammates in the Freestyle Relays at the end of each meet! Show your team spirit!!!**

Meet results are posted on the pool deck and on the "Meet Mobile" app as they become available.

At the end of the meet, all families should clean up their tent area and throw any/all debris in trash containers on the pool deck.

## SOCIAL EVENTS

The Barracudas have several social events throughout the season to foster team camaraderie and relay important information! Some include:

- **New Swimmer Interest Night/Meet the Coaches (February)**

A great way for new families to learn about the team, get to know each other, meet the Board and Coaching staff and ask lots of questions!

- **Team Kick Off Party/Barracuda FUNdrasier (April)**

An entire team event in which swimmers swim laps to fundraise for the team and socialize with food, drink, music and games! Always a fun event!

- **4-Wall Social and Team Breakfast (June)**

All age groups are combined, mixed up and put into small groups. Each group moves through stations working on various starts, turns, and finishes with each other. Older and younger swimmers can really connect! Then they sit together for a tasty breakfast on the pool deck/lawn.

- **Sunsplash Day (July)**

Parents and swimmers alike purchase tickets for a fun evening at Nite Slides at Sunsplash. Our team will have a special area and all-you-can-eat BBQ!

- **Car Decorating Night (July)**

A chance for swimmers and their families to get together and show team spirit by decorating their cars prior to Championships.

- **Awards Night/End of Season Party (August)**

The Monday night after Championships, this is an evening to recap the accomplishments of the team. Awards are given to all swimmers and recognize certain swimmers with special honors. Cake and refreshments served after awards!

- **Various Age Group Socials (throughout the season)**

Fun gatherings of one age group at a time intended to foster bonding with swimming peers. Look for more info on the team website as these events are planned.

## COMMUNICATIONS

One of the key elements to a successful team is the effective communication of information and ideas throughout the season. This process requires the cooperation of all swimmers, parents, coaches and the club staff.

**The primary method of communication is through the Barracudas website:** [www.johnsonranchbarracudas.com](http://www.johnsonranchbarracudas.com)

E-mail addresses for all coaches and Board members can be found on the team website. You may email any coach or Board member at any time with questions/concerns/suggestions.

**Weekly Newsletter updates** will be sent via email to the entire team with important information regarding upcoming events and policies. These newsletters can also be found on the website. Please be sure your email address is up to date on your account and check your spam folders for missing email.

**An informational bulletin board** is located at the South Club in hallway leading to the pool deck. Look for informational flyers regarding upcoming events.

**Swim Team File Boxes** can be found on tables on the pool deck at the South Club during practices and meets. Each family should have a folder with their last name on the tab. Ribbons, awards, and some team informational flyers will be placed in these files. Please check them often and collect items from your file.

**The Den Door** is located on the inside of the door of "The Den" on the pool deck. Announcements and reminders of all sorts can be written on this chalkboard surface.

**South Club Front Desk** has a swim team box where messages can be left for coaches or board members.

## SWIM TEAM JARGON
