*Facilities Floater is a great position for those interested in working at KSTC but aren't a certified lifeguard. This position requires a flexible and adaptable employee who has the enthusiasm to perform a variety of different job duties. You will be expected to rotate through different locations

of the facility. Some examples are, but not limited to: checking owners in, concessions, helping to maintain separation of the pool deck/picnic area, cleaning & sanitizing. A basic understanding of office work and handling money is required. Life guards can also work as floaters.

Please bring a copy of this application to your interview.
