

**Lakota Hills Swim Club**  
**Membership Renewal Payment Form 2022**

Lakota Hills Homeowners Association  
P.O. Box 453  
West Chester, OH 45071

Membership fee for 2022 is \$495.

Limited Membership: Families who have been **full members for at least 5 years** can switch to Limited Status.

Please note, limited membership is \$210 and gives you 20 total visits.

Each person that goes to the pool is a visit even if you are going together. Example, if a family of 4 visits the pool together one day that uses 4 of your 20 total visits.

Note: The yearly membership fee is subject to annual adjustment.

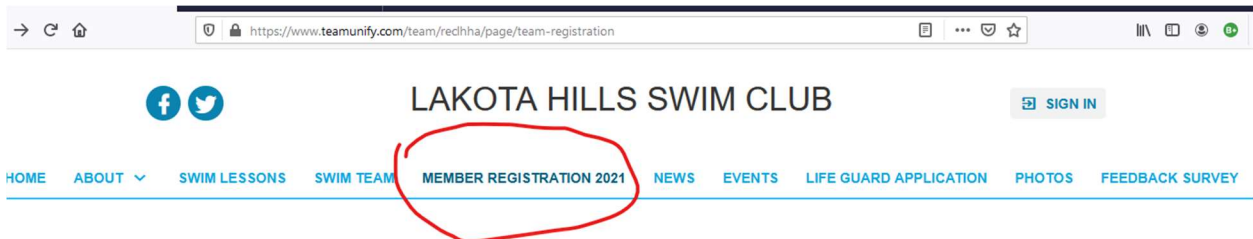

As you may know, we integrated our membership management into a website utilizing the Team Unify platform similar to our swim team, the Lakota Wavemakers.

If you registered on the website in the past 2 years you will be able to go to the member registration page and just re-register. You will also be able to pay by debit or credit card right on the registration site.

Please make sure you change your registration group for one of your family members to "Existing Member". If you don't set one member to "Existing Member" or Limited Member you will not be charged the correct amount. If you were a new member last year you should change the person that was listed as "New Member" to an "existing member."

Some of you have already registered online this year so disregard this.

Please go to our website at <https://www.lhswimclub.com> and click on Member Registration link at the top of the page.

On that page you will then click the green button at the bottom to Continue.

See the next screenshot, you have to read the instructions and then scroll down to click Continue.

## 2021 Lakota Hills Swim Club Registration

Open for Returning Members 9/29/20 - 9/6/21	Open for New Members 9/29/20 - 9/6/21
--	--

Welcome to the Lakota Hills Swim Club Electronic Registration platform for our upcoming swim season!

If you are a new member for 2021 there is a new member registration fee of \$260.  
The 2021 Annual Family Membership Dues are \$466.

Please note, this is a Per Family membership. We do not charge per family member and do not have an individual membership.  
The process is simple for both new and returning members.  
You'll get access to your own private account that will enable you to easily register family members, pay your membership dues, sign up for jobs, maintain your contact information, and more.  
When creating your account, you will initially create a family billing account and then create a "New Member" for each member of your family including yourself.  
Please Note: When creating a family member, the first member you create should be made either an "Existing Member" or "New member" if you were not a Lakota Hills member in previous years.  
Each subsequent family member should be designated "Family Member" (See below for a screenshot of this).  
If you choose Existing Member or New member for more than one person in your family it will show that you are getting charged for every member and we don't want that.  
We look forward to having you join the Lakota Hills Swim Club and are excited for another great season!  
Please click the GREEN Continue button below to start your registration.
