

Heat Winner Ribbons – Don't run out – Read this!

Heat Winner Ribbons may be handed out to “heat winning” swimmers on the deck as they get out of the pool or label them with the winner’s name and distribute them with the other ribbons.

It is important that you:

1. Distribute the Heat Winner Ribbons only to heat winners in the 8&U, 9-10, and 11-12 age groups ONLY. You will run out if you distribute to the 13-14 and 15-18 swimmers.
2. Don't give heat winner ribbons to the last two heats of any event. Since your meet is seeded with the fastest swimmers in the last two heats, it is almost a certainty that the winners of those two heats will get either a medal or a ribbon. Again, you will run out of ribbons if you pass them out to all the heat winners.
