B. Club Requirements

Revise text to #2 as follows:

Proof of all coaches certifications in First Aid, CPR and either Life Guard Training or Coaches Safety Training to the ~~Coaches Rep~~ **League Vice President** before the season begins. Copies of the above certification for at least one coach must be submitted to the ~~Coaches rep~~ **League Vice President** before the first practice.

E. Competitive Regulations

Revise text to #8 as follows:

Each club is to provide a list of all "A" swimmers and their best times in yards in each individual event, and best relay times using HyTek software. These shall be delivered by a club representative, in League approved format on disk or other electronic method, to a common location which shall be specified at the Annual Spring Meeting (ergo, the designated host pool). All clubs will be able to view this information which will be posted on the league website. Any club showing up later than 1/2 hour beyond the specified time will be assessed a fine of \$100.00. Late clubs and "no shows" ~~must pay the fine prior to obtaining their copies of other clubs' "A" times and~~ will be disqualified from championship meets until the fine is paid. The fine must be paid prior to the time that Championships take place.

H. Div Championship Regulations

Revise text to #1 as follows:

No swimmer may swim in the Div. Championships in an event (individual or that event in a relay) for which they have achieved a "B" disqualification time during the dual meet season. From the summary sheets submitted to the League divisional

representatives, a roster will be maintained of all swimmers achieving “B” disqualification times, including those achieved in exhibition heats. This roster will include all divisional or inter-divisional meets swum prior to the Div. Championship entry deadline. If a swimmer makes a “B” disqualification time after the Division entries deadline, that swimmer may still swim in the Div. Championships in that event, ~~but is not granted entry into League Championships.~~

I. League Championship Regulations

Revise text to #4 as follows:

Scratching one individual event or being a “no show” for an individual League Championship will result in that swimmer being scratched from all subsequent individual events. In the case of an individual swimmer not being available to swim in his/her designated relays, the affected relay may use one or more of the alternate swimmers included in the HyTek entry file (subject to the maximum entry limit). If no qualified alternate (an alternate who is listed on official entries for which the maximum entry limit does not apply) is available for the relay, then for prelims, the meet referee will allow the relay team to swim the event as an exhibition. At finals the meet referee will attempt to reseed the heat and allow one of the alternate relay teams to swim the event. If it is not feasible to reseed the event, then at the referee’s discretion the relay may swim the event as an exhibition. ~~If a league record time is achieved by an exhibition relay at prelims or finals the time will not be recorded as such.~~

Add:

5. If there is a facility or scheduling conflict, the membership may vote to hold a timed final league Championship.
