From the President... Gators Beat Castle Pines Crocs!

Calling All Gators,

WE WON!!! The final score was, Gators: 529 and Crocs: 428

How exciting is that! Just wanted to say thanks so much to our coaches and the incredible job they are doing with all of our swimmers. There is so much improvement it's hard to find anything not to be positive about.

We have a hard one coming up this weekend though, the Wildcat Ridge Tiger Sharks. The important thing to do is stay hungry. I am so very proud of how well we have done exactly that. We have been positive and shown great hospitality as well as showing a desire to do well.

WE NEED YOU!!! All you AMAZING moms and dads, we need you to help us out. We have one more home meet after Wildcat Ridge against Smoky Hill. This meet was originally set to be at Smoky but they can't host it and have asked that we do. Seeing as it will help us out in multiple ways, we accepted but now we need you. We are doing well with some areas but others, like Concessions and Timers, we're very short. I know some of you have already met your quota and we all appreciate that very much, but if you have the time it would be a major blessing and a real show of pride in our team if you could just do one more shift.

Thanks again so much for all you do,

Wil McCammish, SGG President
