## *From the President...*

YES, We ARE Awesome!

I wasn't shocked when I talked to Coach Jordan, but even though I was able to watch most of the meet, it was still amazing. We Beat COOK CREEK! Yes, you guys are awesome and now that we have beaten the biggest team in our division you have now proven it. Totally cool!

Now we have Prelims. Monday at home and Tuesday at Wildcat Ridge. I do believe we do still have some volunteer needs, including heating, timing and stroke and turn. I know that many of you are working but if there is any way you can help out, that would be wonderful. I believe that we will be able to do well at Prelims and then have a good chance do to well again at Championships. It will take a lot of discipline, eating right, going to SLEEP (that means staying OFF the phone at night teenagers!), and believing in your own ability to swim and swim well. I know we can do it simply because you're awesome!

Thanks again so much for all you do,

Wil McCammish  
SGG President

## *Coach's Corner*

Hey Gators!

Great job at Cook Creek last weekend. We saw tons of great swims and lots of all star qualifiers! We are so proud of you guys.

Good luck this week with prelims. Swim hard and do your best!! Lets finish off the year right!

There is no stroke clinic this week and practice schedules will be as usual on Wednesday-Friday.

Friday evening, we will be decorating cars with spirited messages to help pump ourselves up on Saturday. We will provide a few paint pens, but you may want to bring your own- King Soopers and Walmart both have car pens for sale.

See you all this week! Keep up the hard work. You guys rock!

*Love,*

*Your Coaches*
