Coach's Corner

Gators,

Congratulations on another win! You guys are on fire and we are so proud of you!

Congratulations also to our team record breakers! Mya Parsons, Mason Brevig, and Simeon Ehm! Keep up the hard work Gators you are all doing a fantastic job!

This week will be full of fun things!

Friday will be the America themed pep rally. We will be playing water-baseball so wear your swimsuit and come support your gator group in this fun new game!

Gators Score Another Win and Beat Cook Creek Wahoos!

Gators Pull Off the Incredible

Wow,

What other expression could you possibly give? Not one win but two, and both against teams that are bigger than we are!!! How exciting is that! I am overjoyed by the talent and effort that you guys are putting into this season. It is truly incredible. Not only that but you are doing it with hospitality and class. I am very proud to see our swimmers going out of their way to shake hands and congratulate the opposing team. Let's keep it up.

Volunteers! We Need You! Even if you are not signed up we could really use your help this Monday as we have the first Prelim at our house. This is a privilege for our team as we will be able to earn money from concessions and other sales at this meet that we may not get next year. In order to make sure this Prelim runs smoothly we need as many volunteers as we can get to help us out at our place. I know it's hard to come if you don't have a swimmer swimming in the meet but if you can and have the time we sure would appreciate it.

The season is almost over. Wow, that went by fast. We have one more away meet to go and then Prelims right after, and all of it with the 4th of July in between. That means this is going to be a hard week for us. I know our amazing coaches are going to be doing their best so make sure you are doing yours. I know that you will make us proud.

Thanks for all you do!

Wil McCammish, President

Save the Date!

The End of the Season Banquet will be on Sunday, July 15th from 5:30-9:00pm at the pool. The team will be providing a dessert buffet for all swim team families starting at 5:30pm. Feel free to come earlier to enjoy your own picnic dinner at the pool beforehand. The coaches will begin recognizing swimmers beginning at 5:45pm.

We do need to know how many people will be joining us for this fun, end of season event. Please fill out the bottom portion of the flyer and return to the coaches or Kathleen Maddalone by Thursday, July 12. For questions, please give Kathleen Maddalone a call at 303-730-6784 or email at dkmaddalone@centurylink.net.

Volunteer Needs:

It has been a great season for people pitching in and getting the job done. Thanks to you it all works!! We have a few more volunteer opportunities coming up and we need to ask, one more time, for some additional volunteers. We especially need volunteers in timing. Piney Creek is an 8 lane pool and we need timers to cover those. Third shift is especially short right now. Scoring and heating are also a bit short. If you need or want to volunteer, visit the volunteer link on the SGCC Gators website, or you can contact me or any board member.

Take a look at your credits to be sure they are accurate and that you have met all of your requirements. Everyone should have at least one credit with prelims and we did ask everyone to increase their completed credits to 7-8 to help out.

**Thank you,
Ed Schell, Volunteer Coordinator**

Team Pictures:

Team pictures are in and located in your family folder. The folders are located in the lifeguard shed and the coaches bring them out every morning for practice. Also, there are lots of race winning ribbons still sitting in your family folder as well. They are placed in the family folder the week following a meet.

This Week's All Star Qualifiers
