

Welcome to Hills West!

We look forward to hosting the SGCC Gators on Saturday, June 8, at our home pool in the Hills West neighborhood. **The address is 10458 Crestline Place, Englewood, CO 80111.** It's located near Cherry Creek State Park, just off Havana Street between Belleview and Orchard Road. We have an **8 lane, 25 meter pool**. As with all our meets, **we plan to begin at 8am.**

Parking: We will reserve a parking spot for your team's coach and parent rep in our small parking lot in front of the clubhouse. Parking for the rest of your team can be found along Havana Street. We have permission from the Arapahoe County Sheriff to park along Havana during meets for easy access to the park. Additionally, you may park in the Hills West neighborhood but please be careful not to block fire hydrants and/or driveways. Please **do not park along the immediate entrance to Crestline Place** where there is a divider in the road. This makes the road too narrow to pass and could cause damage to your car. Kindly make sure these areas near the entrance to the neighborhood are left clear so emergency vehicles can access the neighborhood or pass when necessary. If cars are parked there, the lifeguards or President of the HOA (who lives directly across from the pool) will ask you to move it immediately or risk being towed. We don't want that so please don't park there.

Team Set-Up: We will have an area on deck reserved for your coaches. You are welcome to bring a tent for your coaches area. The rest of your team can set up on the grass in the park directly behind the pool where there is plenty of room to spread out and a playground near the heating area to keep the kids entertained between events.

Warm-Up Schedule: Your team will have the pool to warm up between 7:20 - 7:50am.

Flyovers: We will be doing flyover starts to move the meet along as quickly as possible. Please remind your swimmers to stay in the water (still and quiet on the wall) until the next heat is set off.

Volunteers: Please check in for volunteer shifts no later than 7:30am. Timers and Officials meetings will be held at approximately 7:35am near the start end of the pool. The shift change will occur after the backstroke events, before the breaststroke events, as usual (between Events 48 & 49). Please be ready to go and in place for your volunteer shifts, as this really helps keep the meet moving!

Please plan to provide volunteers for the following:

Heating: 2 per shift, 4 total

Order of Finish: 1 per shift, 2 total

Timers: 13 per shift, 26 total

Runner: 1 per shift, 2 total

Scoring: 1 per shift, 2 total

Scribe: 1 per shift, 2 total

Stroke & Turn: 2 per shift, 4 total

Meet Info: We will run a cardless meet. Please send all entries to Bianca Becker with Scoring at biancasbecker@yahoo.com by 5pm on Wednesday, June 5. Deck Entries and Scratches need to be in no later than 7:30am on Saturday morning. Deck Entries will only be permitted if there is room. Thanks for your cooperation & understanding.

Programs: You should receive the meet program from your team coach, scoring team or parent rep via email on Friday. Programs will NOT be for sale at the meet.

Concessions: We will have freshly brewed coffee, breakfast burritos, donuts, muffins, oatmeal & fruit available for purchase in the morning. We will also have hamburgers and hot dogs on the grill close to lunch along with a wide assortment of snacks and drinks available throughout the meet.

Your coaches will be provided with a meal ticket good for breakfast OR lunch & a drink.

Parent Relays: We are pleased to offer parent relays at the end of the meet, if your team would like to participate. You can put together a maximum of 4 relays with 4 parents each. It will be fun!
