

Dear Coaches and Parent Delegates,

Castle Rock is looking forward to hosting our 20th All Star meet! We will not be selling programs, please check the website (mhsl.org) for the timeline of when that will be available. I will print enough for each team to have 3 for their coaches and 1 for the parent delegate and for the officials and volunteer staff. If you need more than that, please print them ahead of time. Each team will receive a coach's folder with entry lists, protest forms, scratch forms and deck add forms – remember, if you are deck adding, there is an additional fee (paid to the MHSL treasurer) and you must bring proof of time (to Sandra Kelly, scoring).

Some information for the day of the meet:

We will not have reserved parking for coaches or parent delegates. You are free to arrive any time AFTER 6am to get your spot. Please also tell your families we would prefer they wait until 6am to arrive so we can have the pool set up and ready for them. Based on last year, we will NOT have assigned areas for each team to set up their camp. There will not be pop-up awnings allowed on the splash pad (we will be turning it on around 9 am, so it will be a wet zone). We do not have enough chairs for all coaches or enough pop ups, but ask that teams work together as there is not enough room on the sides of the pool for 24 of them (the pool is 25 meters long and we must reserve space for the starter, false start rope dropper and life guard). I will assign spaces for coaches by division so they can share shade.

Remind your families that parking is allowed in both lots close to the pool, on the entrance side of the street into the pool, in the elementary school adjacent to the pool and in the neighborhoods (please be sure they are not blocking driveways). NO PARKING is allowed on the exit side of the entrance street to the pool. It is marked with NO PARKING signs and people have been ticketed and towed from that area. The law states: NO PARKING within 30 feet of a STOP sign, 5 feet of a driveway, 20 feet of an intersection and 15 feet of a fire hydrant.

Let your families know we will have food trucks in the area between the pool building and the pavilion. We will not be able to provide coaches free concessions at this meet.

One more reminder regarding volunteers - all the names of officials who are willing to help at the meet need to be sent to David Castenada – officials@mhsl.org. All the other volunteer names can be sent to me if you would like to have their names on the stickers I will be printing for volunteers (otherwise it will just say your team's name), deadline to submit names is Thursday at 5pm. The volunteer needs list is posted on mhsl.org, click on Documents, then click on All Stars. There will be one check in table for ALL non-official volunteers.

Please feel free to contact me if you have any questions prior to the meet.

Thank you,
Beth – Castle Rock Cruisers Swim Team Coordinator – All Star Host(ess)
