

2019 All Stars Meet Information

My name is Sandra Kelly, and I will be the meet manager for the 2019 All Stars meet at Castle Rock on July 20. This year all documents will be posted on the MHSL website (go to Documents then All Stars) instead of being emailed to everyone. Therefore, it is your responsibility to look at the website to get the documents. The following is information and a timeline for the All Stars meet:

1. **Entries and Rosters** are due no later than **Tuesday, July 16, noon**. Please send them to me at kelly5@q.com or allstars@mhsl.org and put your team name for the “Subject.” Entries include up to 3 qualified events per swimmer, no 6&under events and no relays. PLEASE send accurate entries—double check them before sending! If a swimmer does not have an AS19 time for an event, send justification (like Championship meet results showing the swimmer won the event) along with your entries.
2. I will post the **preliminary entry lists** to the MHSL website after **Wednesday, July 17, noon**. Scroll down through this document to find your team, and make sure all of your swimmers are entered in the correct events. Please confirm with me that all is correct.
3. All corrections, problems with AS19, etc. need to be resolved no later than **Thursday, July 18, noon**. All of this will occur via email. Please include your team name for the “Subject.”
4. I will post the **final meet program** and **entry lists** and **combined events** to the MHSL website after **Friday, July 19, noon**. **NO CHANGES WILL BE ACCEPTED AFTER THIS FINAL PROGRAM IS POSTED**—only scratches (please send me scratches as you get them).
5. Each team needs to bring labels for awards to the meet and turn them into the scoring table.
6. At the All Stars meet we will run the Dolphin system without cards. With the Dolphin system it is extremely important that each swimmer is in the correct heat and lane because the time goes with the heat/lane and not with the swimmer.
7. I will post the **final meet results** and **database** to the MHSL website after **Saturday, July 20, 2 pm**.

If you have any questions, please let me know. Email communication works best for me.
