Coach Kelly says...

When you sign up to participate in a meet, please add a note that states whether or not you are able to participate in the relays; free, medley, or both!

At the meet, make sure to check in/out with your coaches upon arrival/before leaving. One reason is so that the can put together the relays, which are the first/last events of the day.

If you have signed up for the meet, please SHOW UP unless you are legitimately ill or have a family emergency.

Kelly can be reached at (309)264-8378

Be on time and participate in warm ups.

Have fun, and SWIM FAST!!

diving update:

Diving meets can vary in length depending on the size of each dive team. The order of events is: 10& u/11-12/13-14/15-18. Groups may be combined if group size merits it. However, if your diver has other commitments and cannot dive at the time their age group dives, it is difficult to have them dive with a different age group. Please plan accordingly!

For home meets, our divers need to be at the pool for warm-ups two hours prior to the start of the meet. You may want to send some snacks and drinks with your diver. During the opposing team warmups, divers are encouraged to socialize with one another! The more experienced divers can always give tips to their younger or less experienced teammates!

If you have any questions regarding the dives or procedures, please talk to Coach Caleb, Coach Trevor, or Coach Henry.

team breakfast:

Before our first home meet of the season, let's welcome back our veterans, get to know our newbies and enjoy some food WAY too early in the morning!

Each family is asked to bring one item. Assigned items are based on age group. Please bring food ready to serve. Remember we have 250 plus swimmers and their parents and siblings. Coffee will be provided.

Please bring serving utensils and label all personal items. Lids should be labeled as well as the container to which they belong.

What to bring:

8 and under and 13/14: 18 rolls, 18 pre-sliced bagels, 18 muffins, or a large pan of quiche

9/10 and 15-18: A large fruit platter or 9 x 13 pan of breakfast casserole

11/12: 16 - 100% juice boxes, pan of sausages, large pan of hash browns, or 9 x 13 pan of breakfast casserole

CALLING ALL PARENTS!

We still have lots of volunteer spots available for the meet! Don't delay, sign up today!

concessions:

In order to support one of our largest fundraisers, we ask that each age group bring some items to donate to the concession area.

PLEASE BRING:

8 & under: fresh fruit (bananas, grapes, melon, mixed fruit baggies are popular)

9/10: donuts or bottled water

11/12: Gatorade, ice

13/14: soda

15-18: Spaghetios or bottled water

things to remember:

-DO NOT PARK IN THE LIBRARY PARKING LOT! The library is open on Saturdays and their lot is reserved for library patrons only.

-DO NOT SET UP A POP UP TENT ON THE POOL DECK! It is OK to set up your pop-up tent on any part of the grassy area around the pool for which Monona is known! Our suggestion? The green grass directly north of the diving boards.

-Do not set up blankets and chairs for personal use in the area behind the starting blocks, near the tennis court fence. This area is strictly reserved for swimmers, meet officials and timers.

-Please refrain from using the bathrooms in the community center; pool bathrooms are open and available for use. The community center, while open during meets, is limited strictly to meet officials and scoring personnel.

-HANDICAPPED SPACES are for people who have handicapped parking passes only.

-NO GLASS OR CERAMIC DRINKWARE ON DECK.

Second Harvest update

Every year Second Harvest makes it easier and easier to donate and this year is no exception!

Below is a link you can use to make credit card donations.... The benchmark is \$3,000 in cash donations however it is my hope that we can exceed this goal.

<https://all-city-swim-meet.everydayhero.com/us/mononaswimdive>

Feel free to send the link to friends and family that would be willing to donate any amount to support our Second Harvest mission. You may be amazed how generous people are when you ask for their help and support. EVERY DOLLAR COUNTS!

It is great when parents write a check but to have the kids support this fund raising really gives them a sense of community service. We welcome our MO swimmers and divers support too. Here are three examples of kids that care:

- A couple of years ago I received funds from a group of MO kids who organized a Kool-Aid stand ... what a COOL or should I say KOOL idea.
- One family had a coin cup in their kitchen and every time they walked by it and had coins in their pockets, purses and backpacks they dropped that money in the glass – great idea right?!?!?
- One little girl gave me a dime at a home meet that she found on the pool deck. She told me to give it to Second Harvest... very thoughtful.

It all adds up! Please give what you can give and spread the word. We want this to be the best year yet!!! Don't forget ... if the company that you work for matches charitable contributions that you make that is a great way to double your offering to Second Harvest!
