

Where to Buy Fins for Tidalwaves programs

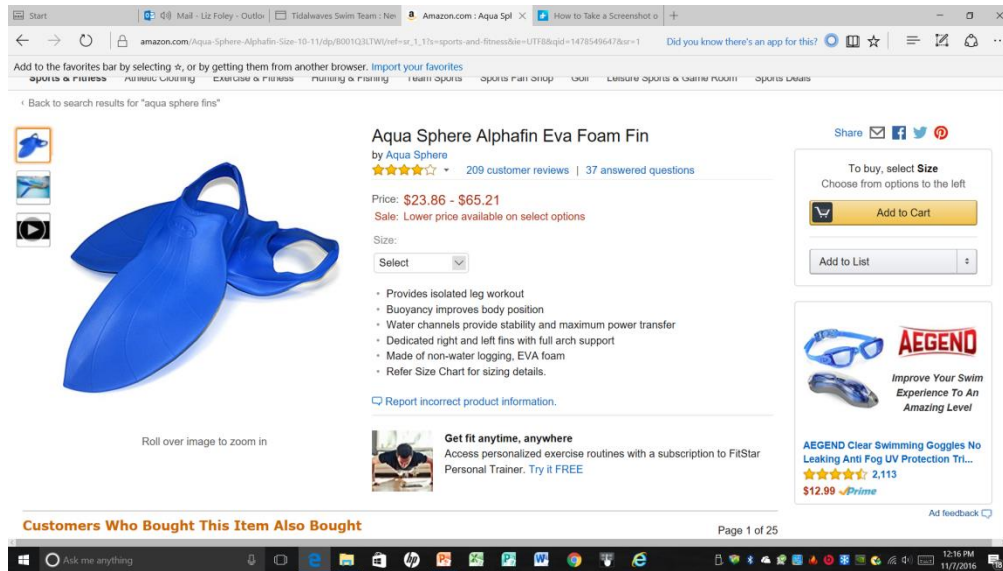

- It's important for ALL the kids to have the same BRAND/STYLE of Fins
- FINIS Floating (for sizes 4-5 & Below) sometimes named slightly differently...see pictures.
- Aqua Sphere Alpha for bigger feet, (see next page).
- Please buy and bring to EVERY class
- Please don't buy/bring a different brand/style. (all fins are not created equal!)

Long Floating Fin
by FINIS
★★★★★ 690 customer reviews | 62 answered questions
Price: \$13.95 - \$43.51
Sale: Lower price available on select options
Size: Select
Color: Blue / Yellow
• Floats in fresh and salt water
• Long Fin adds extra power to kick and builds leg strength
• Closed heel design reduces chance of hyperflexion of the ankle
• 100% Natural Rubber

- Prices vary by size (and when and where they are purchased).
- Can be found at **Sports Basement** in the Presidio or ordered.
- Colors are specific to sizes.

For Bigger Feet (Sizes 4-5 & Above)

- Also Available at SwimOutlet.com or Sports Basement in the Presidio
- If you are unsure of whether your child should wear Finis Floating or Aqua Sphere Alpha, check with Coach Marie.
