

# Marlins Mile Swim

## July 8, 2022

The Maple Hills Marlins Swim Team offers young swimmers a fun way to perfect their swimming strokes and skills and to build physical fitness while swimming with others of the same age and ability. Although swimming is an individual sport, participating on swim team helps create an enthusiasm for swimming that is hard to achieve by just swimming alone. Swim team promotes team-building skills, self-discipline, friendliness, and sportsmanship among teammates and opponents. This event is a one mile swim in one hour or less, or as many laps as can be completed in that timeframe. That is just over 70 lengths! Please help support our amazing team by donating to this fun event! Your pledge money will go directly to support the Marlins and ensure its viability as a community swim program to for years to come!
