October 2021 Newsletter

2nd Annual Spooktacular Trunk or Treat

Come out to the pool parking lot on October 30th. The event will start at 6:30pm and the parking lot will be opened at 6:00pm for everyone to start setting up. Deck out your car with your favorite Halloween theme and enjoy a chance to spend some time with your pool friends when it's not even summer!

Pool Refinishing Update

Finally!!!! We have contracted someone to do the work to refinish the pool. Neptune Pool Management will start phase one this month which will consist of blasting the pool surface to remove the many layers of paint and then doing any cement repair. Phase two will be in the spring when the new finish will be applied to the pool surface. This includes the baby pool as well which will also be retiled. We will be posting pictures of the progress to our Facebook account. In addition to having a nice new surface that doesn't chip and stain everything blue, this will also eliminate the need to paint the pool every spring. We are super excited to finally get this done!

2022 Membership

A few things around 2022 membership

1. The Board has decided to not raise rates for the 2022 season. While the impending increase of minimum wage will absolutely require some kind of membership rate increase, we are going to hold off doing that for at least a year.
2. Current members will be allowed to register starting in early January 2022. As we have more than 50 people on our waiting list to join, current members will be given a deadline to register. More to come on how this process will work. Please make sure you can log into your account on the website. If you have issues, please contact us.
3. Given the number of families on the waiting list and after reviewing the data collected from the check in process the Board has decided to increase the number of families for the 2022 season to help offset the additional payroll costs associated with the raise in minimum wage.

We will be doing one of these each month during the off season to keep you all up to date on what's happening and what's coming up!

Upcoming Dates

Saturday, October 30
Trunk or Treat
Lot opens at 6:00pm
Event starts at 6:30pm
