

Del Norte Aquatics Locker Room Monitoring Policy

PURPOSE

The following guidelines are designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms and changing areas.

FACILITIES

We practice at Del Norte Club, 3040 Becerra Way, Sacramento.

This location has changing areas that is shared with the general club membership. As such, there are likely to be people who are not associated with Del Norte Aquatics in the changing area around the time of practice.

MONITORING

Coaches and staff make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.

We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let the coach or administrator know about this in advance.

If an athlete needs assistance with his or her uniform or gear (for example, a child under the age of eight), or an athlete's disability warrants assistance, then we ask that the parents let the coach or an administrator know beforehand that he or she will be helping the athlete.

Del Norte Aquatics has staggered practices, with different age groups arriving and departing throughout the day. It is therefore not practical to constantly monitor the locker rooms and changing areas over this extended course of time. While we do not post staff, coaches, or volunteers inside or at the doors of the locker rooms and changing area, we do make occasional sweeps of these areas. A staff member or coach may make this sweep, with women checking on female locker rooms, and men checking on male locker rooms. If necessary, a parent may be asked to check on locker rooms.

Changing into or out of swimsuits other than in locker rooms or other designated areas is not appropriate and is strongly discouraged.

USE OF CELL PHONES AND OTHER MOBILE RECORDING DEVICES

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras increase the risk for different forms of misconduct in locker rooms and changing areas. The USA Swimming Athlete Protection Policies prohibit the use of such devices in the locker room or other changing area:

305.3 *Use of audio or visual recording devices, including a cell phone camera, is not allowed in changing areas, rest rooms or locker rooms.*
