

# NORTHERN CALIFORNIA SWIM LEAGUE 2019

On behalf of the Northern California Swim League's Board of Directors, we wish you and your family an exciting weekend of fun and fast races. The children have worked very hard all season to better their times, improve their strokes and become a great team mate. More than just points and times on the scoreboard, enjoy the excitement this big championship meet will bring and most of all the smiles on the faces and the memories created. Please consider volunteering for the NCSL Board as we have several positions that will be vacant in the coming season. Send us an email if you are interested to learn more about this opportunity to give to our great swim community.

Founded in 1993 we grew from 12 teams with 1700 swimmers to 24 teams with over 4400 swimmers today!

This year we will offer the championship meets to **4.428** registered swimmers. Over the past 25 years we invited a total of **101.949** swimmers to compete.

## A special THANK YOU to our NCSL Board:

Kyle Tambornini	President
Mike Burgenger	Vice President
Emily Philips	Secretary
Scott Hastings	VPOfChamps
Monica Lopez	Registrar
Jon Mohle	Commissioner of Records
Shanon Arnan	Treasurer

And your 24 team representatives

We couldn't do it without these amazing volunteers who work all year on making this swim league possible!

We align our 24 teams into 5 conferences, Comstock, Goldrush, Eureka, Motherlode and Nugget. The alignment is based on strength and overall success in order to offer a fair competition. NC SL will host 5 separate championship meets during 2 weekends in July

COMSTOCK	GOLDRUSH	EUREKA	MOTHERLODE	NUGGET
July 20-21	July 27-28	July 20-21	July 27-28	July 20-21
Stockton	Woodland	Roseville	Folsom	Folsom

Please refer to your Meet Director communication around all the details for this upcoming weekend and contact your team if you

have any questions about the championship weekend. We will not be selling programs at the meet but we have posted the Meet Program on our webpage so that you may download and print your own copy.

Thank you for allowing me to serve as your President. The swim community is a display of team work at its best. The work on the NCSL board, within your teams and at swim meets could not get done without an army of volunteers. I am so very thankful to have such excellent and dedicated volunteers by my side.

When this weekend is over, I hope you look back on the season and remember the fun, the successes, and the growth made by your swimmers. We are very excited to see you and all the new faces in the spring of 2020. I look forward to seeing you around the pool and sharing in the excitement that this sport provides to both, the participants as well as the spectator. Good luck to all of our swimmers!

Kyle Tambornini  
President, NCSL

Being involved with our program is very rewarding and we are always looking for volunteers. Please visit our NC SL Webpage for opportunities to sponsor the league and to get more involved. You do not have to have experience, we train you. Thank you for considering.
