

## Welcome to the Northern California Swim League Registration for the swim season 2013

The Northern California Swim league was founded in 1993 with 11 original teams. In that founding year, the league had 1,711 registered swimmers. The Northern California swim league has grown to 25 teams and now has over 5,000 swimmers. To accommodate dual meets and maintain a competitive nature within the league, we arranged into five different conferences.

### League Registration:

**All League registrations are subject to approval by the team you are registering for.**

Once your swimmer has been accepted by one of our 26 swim teams (listed under the League Info tab above) you will need to follow this simple process of registering with our swim league:

#### Step 1:

Enter registration by choosing "Register Now" below.

#### Step 2:

Choose "I am **not sure** if I have an account. This is the email address I want to use:" and enter the email address you would like to use to receive the registration confirmation and other league related communication.

#### Step 3:

Choose a password and then enter the Billing Information.

- Enter the name and address of the parent/guardian here.
- The league will **not** bill you directly. The swimmer's fee will be paid by your team. (Subject to change in future years)
- There is no need to fill out "Guardian" or "Insurance/Emergency Contact".
- This account is separate from the account that you might have already created on a similar page with your team.

#### Step 4:

Enter your first swimmer.

- Pay close attention to the birth date ☺
- Select the team your swimmer has been accepted from the group menu.
- Next it will sent you to a screen that will let you enter additional swimmers on your account.
- Location will be "unassigned" till we verify your team's registration.

#### Step 5:

Once all your swimmers are added continue to "Checkout Using Secure Server".

#### Step 6:

Answer the questions in our waiver form.

- There will be only one waiver per account. In the case that your answers differ for each of your swimmer please contact our league registrar [Monica Lopez](#) first before proceeding.

#### Step 7:

Submit the Registration

#### Notes:

- Do not register with the league if you have not received a confirmation from one of our participating league teams that your swimmer has been accepted into their program. Swimmers who are not registered with our league may not participate in any dual meet or championship event.
- Please address all team specific questions with your local team.
- For all league specific questions please send us an email.
- Download these instructions to your desktop [here](#).
