BYLAWS
OF
NORTHERN CALIFORNIA SWIM LEAGUE
A California Nonprofit Public Benefit Corporation
AS AMENDED February 27, 2013**

ARTICLE 1. PURPOSES AND LIMITATIONS

Section 1.01. General Purposes

The Northern California Swim League (hereinafter the "League") is organized exclusively for charitable and educational purposes, and to foster national or international amateur sports competition, all within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986 or the corresponding provision of any future United States internal revenue law. Notwithstanding any other provision of these Bylaws, the League shall not, except to an insubstantial degree, engage in any activities or exercise any powers that are not in furtherance of the purposes of the League, and the League shall not carry on any other activities not permitted to be carried on (a) by a corporation exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986 or the corresponding provision of any future United States internal revenue law, or (b) by a corporation, contributions to which are deductible under Section 170(c)(2) of the Internal Revenue Code of 1986 or the corresponding provision of any future United States internal revenue law.

Section 1.02. Specific Purposes

The specific purposes of the League are as follows:

- (a) To establish, operate and promote a regularly scheduled summer recreation age group swimming program in the Sacramento Valley/Sierra Foothills area.
- (b) To be basically recreational in nature and to promote good sportsmanship, physical fitness and team spirit.
- (c) To promote the participation during the course of the swim season of all swimmers, regardless of swimming proficiency, thereby enabling the maximum number of swimmers to enjoy a well-rounded, recreational program.
- (d) To recognize the need for, and seek to maintain to the maximum extent possible, competitive parity among the teams participating in the League.

ARTICLE II. OFFICES

Section 2.01. Principal Office

The principal office of the League for the transaction of its business shall be as designated from time to time by the League Board of Directors.

Section 2.02. Other Offices

The League may also have offices at such other places where it is qualified to do business, as its business may require and as the Board of Directors may from time to time by resolution designate; provided, however, that the Board shall incur no financial liability on behalf of the League in obtaining other offices without the prior approval of a majority of the Teams of the League.

ARTICLE III. MEMBERS

Section 3.01. Classes of Membership and Rights

- (a) There shall be one class of membership, as follows: Member organizations hereafter called "Teams." The league shall be limited to an appropriate number of Teams, and the membership, voting and other rights, interests and privileges of each Team shall be equal and as more fully set forth hereafter. Each Team shall elect a representative to serve as a Director each year and to attend League meetings. Each Team shall have ONE vote. The vote shall be delegated to the member of the League Board of Directors representing said Team. Each Team shall communicate to the League their designated member of the Board of Directors and alternates, which shall all be individuals other than coaches and the League President. Each Team shall have all rights afforded members under the California Nonprofit Public Benefit Corporation Law.
- (b) The League may be a member of U.S. Swimming or similar organizations. The member Teams of the League, at their discretion, can be members of U.S. Swimming or similar organizations.
- (c) The League may refer to persons or entities associated with it as "members", even though those persons or entities are not voting members as set forth in paragraph 3.01(a) of this Article III, but no such reference shall constitute anyone a member within the meaning of Section 5056 of the California Corporations Code unless that person or entity shall have qualified for a voting membership under paragraph 3.01(a) of these Bylaws.

Section 3.02. Qualifications

Qualifications for membership shall include:

- (a) Established swim program;
- (b) Competitive number of swimmers;
- (c) An adequate facility for dual meets;
- (d) Organized coaching program;
- (e) Demonstrated parental support;

* Founding Teams of the League

Section 3.03. Admission

Admission of a new team for membership in the League shall be as follows:

- (a) Upon application for membership in the League by a new team, the President shall appoint, subject to the approval of the League, a committee consisting of three Directors to review and screen all prospective team applicants for membership in the League and make an appropriate recommendation to the Board of Directors at the earliest opportunity. A Committee will submit information to the League at a League Meeting and attend the meeting to be available for questions. A vote will be taken at the next League Meeting.
- (b) New teams may be added to the League by a two-thirds vote of the member Teams. If a new team petitions the League for membership and receives the required two-thirds vote of the member Teams, the new team shall be admitted to the League on a probationary basis for one swim season. A team on probationary status will not have a vote at League meetings, but must be represented. At the September League Board meeting following the conclusion of the probationary swim season, the then permanent member Teams shall vote on whether the new team shall be admitted as a permanent League member Team. If the new team receives the required two-thirds vote of the permanent member Teams, the new team shall become a permanent member of the League.
- (c) All votes on either probationary or permanent admission of a new team to the League shall be taken via secret ballot. The results of all votes taken on the probationary or permanent admission of a team petitioning for membership in the League shall be recorded in the minutes of the Board of Directors and communicated in writing to the applicant.
- (d) A team admitted on a probationary basis shall be required to pay the initiation fee (see Section 3.04(a) of this Article III) and will be subject to all of the rules and regulations governing Teams in the League.

Section 3.04. Fees, Dues, and Assessments

- (a) Teams joining the League shall pay an initiation fee, which includes membership in the League and dues for the first year. This sum is due on the fifteenth day of May of that year or within 30 days after approval of membership, whichever date is later.
- (b) League dues shall be payable by no later than the fifteenth day of May each year.
- (c) There shall be an annual fee for League registration for each individual participant swimmer to be paid by each individual participant or sponsoring Team at the time of registration.
- (d) Annual registration fees for each Team's individual participants shall be delivered by the Team by check to the League's Treasurer in accordance with the schedule annually adopted by the League's Board of Directors. Late registrations not requiring a Board decision on eligibility must be in the possession of the League Registrar at least 24 hours before the swimmer is eligible to swim in a League meet. A master registration sheet must accompany all registration forms delivered by a Team to the League Registrar.
- (e) The dollar amount of the initiation fee, annual League dues and the individual participant registration fee will be set each year by the Directors of the League.
- (f) Dues (and assessments) paid to the League become the property of the League and any severable or individual interest of any Team therein terminates on such payment.

Section 3.05. Termination of Membership By Resignation

- (a) The membership of any member Team of the League shall automatically terminate on its written request for such termination delivered to the President or Secretary of the League personally or by United States mail, such membership to terminate when the request is received; provided, however, that such termination shall not relieve the member of the obligation to pay any dues, assessments, or other charges theretofore accrued and unpaid.
- (b) The membership of any Team that fails to pay its dues or assessments when they become due and within 30 days thereafter shall automatically terminate at the end of such 30-day period, provided it was given written notice delivered to the Team's representative on the Board of Directors personally or by United States mail within ten days before the due date that such dues or assessments were due and payable as of said due date. In the event that such written notice is not given as herein required, then such membership shall automatically terminate for non payment of dues or assessments only if they are not fully paid within 30 days after such written notice is eventually given and delivered to the Team's Representative on the Board of Directors in person or deposited in the United States mail, postage prepaid at his address as it appears in the League's records.

Section 3.05.1. Rights on Termination

- (a) All rights and interests of a Team in the League shall cease upon termination of membership

as herein provided.

Section 3.05.2. Reinstatement

- (a) Any Team whose membership is terminated as provided in this Section may have its membership reinstated on such terms as the Board of Directors may deem appropriate by filing a written request therefore with the President or Secretary of the League or with any Director and on approval of the request by a majority of Directors present at the meeting at which the request is considered, provided that such request shall not be considered at any meeting at which a quorum is not present.

Section 3.06. Suspension and Expulsion

- (a) The Board of Directors is authorized as herein provided, to censure either privately or publicly, suspend from membership for a period of time of not more than one year, or to both censure and suspend and fine, or expel from membership any Team, participant, coach, official or other representative of this League for good cause. The term "member" as used in the remainder of this Section 3.06 shall mean any of the persons or entities named in this paragraph 3.06(a).
- (b) "Good cause," as used in this section, means:
 - (i) Any willful failure or refusal to abide by the Articles of Incorporation, Bylaws or Rules of this League;
 - (ii) Any willful failure or refusal to abide by the terms of an award in any arbitration proceeding under the terms of this Article after having agreed in writing to do so and after having received notice of the award;
 - (iii) Any willful failure or refusal to pay any assessment levied pursuant to the provisions of this Article; or
 - (iv) Any conduct which, in the opinion of the Board of Directors, is prejudicial to the League's welfare, good order and discipline therein or violates the purposes for which this League is formed.
- (c) Definitions:
 - (i) A "private reproof" is a reproof in letter form, signed by the President of the League and sent to the subject member by certified or registered mail, return receipt requested. A copy of the letter and the return receipt shall be filed with the minutes of the Board meeting imposing discipline.
 - (ii) A "public reproof" is the same as a private reproof except that in addition to sending a letter to the subject member and filing a copy thereof, together with the return receipt, with the minutes of the Board meeting imposing discipline, a copy of the letter is read to the membership at the next following regular meeting at which a quorum is present.
 - (iii) A "suspension" requires compliance with subparagraph (ii) hereof, and in addition, all

voting and other rights of the member during the term of its suspension are terminated, provided, however, that such member shall not be relieved of any liability for payment of dues or assessments falling due or levied during the period of suspension.

- (iv) An "expulsion" requires compliance with subparagraph (ii) hereof, and in addition thereto, the membership of the member in this League is immediately and conclusively terminated, provided, however, that such member shall not be relieved of any liability for the payment of dues and assessments accruing prior to the hearing on the charges against it as herein provided.
 - (v) A "fine" may be imposed separately, in which case compliance with subparagraph (i) hereof is required, or it may be imposed in addition to a public reproof or suspension.
- (d) Procedure:
- (i) Proceedings against a subject member may be initiated by resolution of the Board of Directors adopted at any meeting at which a quorum is present.
 - (ii) On adoption of the resolution, the President, or if he is unable or refuses to act, the Vice President, shall schedule the matter to be heard by the Board of Directors at the next regular or special meeting held not less than 20 days nor more than 40 days after the date the resolution is adopted as the case may be. The Secretary, or other person appointed by the President for the purpose, shall deliver at least ten days prior to the date of the hearing a copy of the resolution, together with a notice of the time and place of the hearing, to the subject member either in person or by United States mail addressed to it at its address as it appears in the League records. Should the person whose duty it is to serve the notice fail or refuse to do so, such copy and notice may be delivered as herein provided by any Director of the League, and in such event the matter shall be heard at the next regular or special meeting of Directors at which a quorum is present held not less than ten days after the copy and notice are personally delivered or deposited in the United States mail. If a quorum fails to attend such meeting, the matter shall be heard at the next succeeding regular meeting or special meeting, provided, however, that if a quorum fails to attend such next succeeding regular or special meeting, the matter against the subject member shall be dismissed. Such dismissal shall be automatic and final, except that the alleged conduct of the subject member giving rise to the proceeding may be considered in any subsequent proceedings under this section based on future alleged misconduct.
 - (iii) Notwithstanding any other provision in these Bylaws, notice of the meeting at which the hearing is first scheduled or subsequently scheduled shall be given to all Directors as required by these Bylaws for special meetings of Directors.
 - (iv) The hearing shall be informal and the rules of evidence and rules of judicial procedure need not be observed. The hearing shall be presided over by the President of the League who shall (1) read the charges against the subject member; (2) require that the charges be verified by the testimony of the person or persons making them; (3) hear any other witnesses against the subject member; (4) allow the subject member to cross-examine

each witness; (5) allow the subject member to make a statement in its own behalf, (6) allow the subject member to call witnesses in its own behalf, (7) allow the Directors present, when and as recognized by the chair, and subject to the control of the chair, to question witnesses; and (8) rule on the admission and exclusion of evidence and on questions of hearing procedure.

- (v) After the hearing has closed, the Directors shall vote on whether to impose discipline or dismiss the matter. If they vote to impose discipline but cannot agree on the nature and extent thereof, the discipline shall be a private reproof as herein provided. The vote imposing discipline or dismissing the matter shall in either event be final.
- (vi) An expelled member shall not be eligible for readmission to the League prior to the expiration of one year from the date of its expulsion.
- (vii) All rights of the subject member in the League or in its property shall cease on its expulsion.

Section 3.07. Transferability of Membership

Membership in this League is nontransferable and non-assignable.

Section 3.08. Right to Inspect Records

All records of this League shall be open to inspection on the written demand of any Team at any reasonable time for a purpose reasonably related to its interests as such.

ARTICLE IV. LEAGUE MEETINGS

Section 4.01. Place

Meetings of the League shall be held at one of the member Team's facilities or at such other place as may be designated from time to time by the President.

Section 4.02. Regular Meetings

Regular League meetings shall be held on the fourth Wednesday of each month at a time set at the previous meeting. Each Team shall have an official representative (Director or designated alternate) at all League meetings. The Board of Directors shall have the authority to change the date of a monthly meeting and to cancel the July, November and or December meetings.

Section 4.03. Special Meetings

Special League meetings may be called by the President or Secretary or any three Directors of the League and held at such times and places as may be ordered by resolution of the Board of Directors.

Section 4.04. Notice

"Written notice of the time and place of meetings shall be delivered personally to each Director or sent to each Director by e-mail, or by United States mail, postage prepaid, at least seven days prior to such meeting."

Written notice of the time and place of meetings shall be delivered personally to each Director or sent to each Director by e-mail or by United States mail, postage prepaid, at least seven days prior to such meeting.

Section 4.05. Contents of Notice

Notice of League meetings not hereby dispensed with shall specify the place, the day, and the hour of the meeting and, in the case of special meetings, the general nature of the business to be transacted.

Section 4.06. Consent of Absentees

The transactions of any League meeting, however called and noticed, are as valid as though had at a meeting duly held after regular call and notice if a quorum, as hereinafter defined, is present and if, either before or after the meeting, each of the Teams entitled to vote but not present signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the League and made a part of the minutes of the meeting.

Section 4.07. Quorum

A quorum shall consist of two-thirds of the member Teams.

Section 4.08. Adjournment for Lack of Quorum

In the absence of a quorum, no business shall be transacted. A special meeting may be called if there is League business, which cannot wait until the next regular meeting. (See Section 4.03 on calling special meetings.)

Section 4.09. Loss of Quorum

The Teams present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of enough Teams to leave less than a quorum.

Section 4.10. Voting

Voting shall be by voice vote, provided, however, that election of officers and approval of membership for applicant teams shall be by secret ballot. Teams shall not be permitted to vote or act by proxy, and cumulative voting shall not be authorized. All League matters, other than Bylaws amendments and admission of new Teams to the League, shall be decided by a majority vote.

Section 4.11. Conduct of Meetings

- (a) League meetings shall be presided over by the President of the League, or in the President's absence, by the Vice President, or in the absence of both, by a chairperson chosen by a majority of the Directors present. The Secretary of the League shall act as Secretary of all meetings, provided that in the Secretary's absence the presiding officer shall appoint another person to act as Secretary of the meeting.
- (b) Meeting shall be governed by ROBERTS RULES OF ORDER, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of this League, or with law.

- (c) Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, and hence of the League, unless the Articles of Incorporation, these Bylaws or law requires a greater number or otherwise provides.
- (d) In addition to League Directors (and alternates) and Officers, each Team in the League may, as a matter of right, have one additional Team member present at all League meetings. This additional member shall not be entitled to vote on matters, and may be a Team coach. Any other individuals beyond those specified in this Section 4.11(d) seeking to attend a League meeting must obtain the permission of the League President in advance of the meeting.

ARTICLE V. DIRECTORS

Section 5.01. Qualifications

- (a) Any member of a Team is eligible to be a Director of the League; provided, however, that:
 - (i) A Director may not also be a Team coach; and

Section 5.02. Election

The Director representing a Team shall, subject to the requirements of Section 5.01, be elected by the Team pursuant to said Team's individual rules.

Section 5.03. Terms of Office

Subject to the limitations set forth in these Bylaws, each Director shall serve at the pleasure of the Team the Director represents and until his successor is appointed.

Section 5.04. Powers

- (a) Subject to the provisions and limitations of the California Nonprofit Public Benefit Corporation Law and any other applicable laws, and subject to any limitations of the Articles of Incorporation or Bylaws, the League's activities and affairs shall be managed, and all corporate powers shall be exercised, by or under the direction of the Board of Directors.
- (b) Without prejudice to the general powers set forth in paragraph 5.04(a) of these Bylaws, but subject to the same limitations, the Directors shall have the power to:

- (i) Employ such officers, agents and employees, including but not limited to a League manager, as the Board may deem proper and appropriate; prescribe powers and duties for them consistent with law, the Articles of Incorporation and these Bylaws; fix their compensation and require from them security for faithful performance of their duties; and supervise them to assure that their duties are properly performed.
- (ii) Change the principal office or the principle office in California from one location to another; cause the League to be qualified to conduct its activities in any other state, territory, dependency or country and conduct its activities within or outside California; and designate any place within or outside California for holding any meeting of members.

Directors shall serve without compensation.

Section 5.06. Vacancies

- (a) Vacancies in the Board of Directors shall exist (i) on the death, resignation or removal of any Director; (ii) whenever the number of Directors authorized is lawfully increased; and (iii) when an individual ceases to meet the qualifications of a Director as outlined in these Bylaws.
- (b) The Board of Directors shall declare vacant the office of a Director (i) if he is declared of unsound mind by an order of court, or is finally convicted of a felony; (ii) if within 60 days after notice of his election he does not accept the office either in writing or by attending a meeting of the Board of Directors; (iii) he ceases to meet the qualifications of a Director as set forth in Section 5.01; or (iv) he is suspended or expelled from the League pursuant to Section 3.06.
- (c) Each Team shall promptly fill any vacancies the Team has on the Board of Directors.
- (d) Persons chosen to fill vacancies as in this Section provided shall hold office for the unexpired terms of their predecessors or until their removal or resignation as in these Bylaws provided.
- (e) Each Team may designate to the League one or alternative Board members who shall be entitled to act and vote as the Board member representing said Team in the absence of the Team's regular Board member.

ARTICLE VI. OFFICERS

Section 6.01. Qualifications

Any member of any Team in the League is qualified to be an officer hereof, subject to the following limitations:

- (a) The President of the League must comply with qualifications established for Directors set forth in subparagraph 5.01(a)(ii) of these Bylaws.
- (b) An officer may not also be a Team coach,
- (c) Members of the League's Board of Directors may also hold any League office other than President.

League officers shall attend League Board meetings, but shall not, with the exception of the President, be entitled to vote on any Board matters except to the extent that the holder of an office is also serving as a member of the League's Board of Directors pursuant to Article V of these Bylaws. The League President shall be entitled to vote at League Board meetings only in those instances where such action is required to break a tie vote of the Board of Directors.

Section 6.03. Nomination and Election

A nominating committee of not less than three Directors shall be appointed at the August Board of Directors meeting of each calendar year by the President to present nominations for officers at the September Board of Directors meeting of each calendar year. Those individuals being considered for nomination must give their consent to serve, if elected, prior to being nominated. The Past President shall automatically accede to his office upon completion of his term as President.

Section 6.04. Compensation

Officers shall serve without compensation.

Section 6.05. Removal

Any or all officers may be removed from office at any time by the vote of a majority of Teams in the League. In the case of the removal of any officer, a new officer shall be elected to serve the unexpired portion of the term of his predecessor at the meeting at which the officer is removed.

Section 6.06. Vacancies

- (a) The Board of Directors shall declare vacant any of the offices created or established by Section 6.01 in the following situations:

The Mediator shall meet with the League Representatives from each team within two days of the protest, in an attempt to solve the issue. If both parties still do not agree, the protest will then be forwarded to the appropriate Protest Committee.

Section 14.03. Hearing on Protest

The Protest Committee will hold a hearing on the matter within five days of receipt. The Protest Committee would then accumulate as many facts pertaining to the protest as possible, prior to holding a hearing with the teams in question. Where applicable, the rulings and rule interpretations of officials, and the rulings and rule interpretations of the Meet Referee should be included.

Section 14.05. Subject of A Protest and Manner for Handling

Protests in Area 1 of the above will be handled as specified above. Only rule interpretations or infractions can be protested. Board decisions, votes, and rulings cannot be protested.

Protests in Area 2 will be handled as follows:

During a Dual Meet, the Meet Referee will have complete control of the conduct of the meet. The Meet Referee shall not assume any other duties or assignments other than those ordinarily assumed by the Meet Referee at any dual meet. Any disputes or questions regarding judgment calls by officials, entries, dual meet procedures or the operation of the meet will be decided by the Meet Referee, whose decisions will be final. Only in the event of a misinterpretation of a rule or rule infraction, or of a League rule or guideline that is not followed, may a protest be filed in a dual meet situation. Examples include: ineligible swimmer, or unsafe conditions of the pool or pool area. The previously mentioned procedures to file a protest must then be used.

As in a Dual Meet, the Meet Referee shall have complete control of the meet. The Meet Referee's decisions will be final.

Protests involving a finals heat must be lodged within 30 minutes after the race in which the protested call took place. Again, no protests will be accepted later than ten minutes after the conclusion of the day's finals events.

If a protest cannot be resolved by the Meet Referee, in a situation involving League Rules, a Protest Committee consisting of the League Directors from each team will meet to decide on the protest, with majority rules in effect. In the case of a tie vote by the members of this committee, the decision of the Meet Referee will stand. The decision of the Protest Committee will be final, and cannot be appealed to the Board of Directors.

Protests concerning a swimmer's eligibility to swim or other issues not related to the conduct of the competition phase of the meet will also be decided by the aforementioned Protest Committee,

provided that the protest procedures established earlier in this section have been followed. If the eligibility of a swimmer is raised at the meet, and the Protest Committee cannot make a ruling based on a lack of League registration documents, the swimmer shall be allowed to compete under protest. After the meet, should the swimmer be found to be ineligible, the swimmer will be disqualified from any finals event they may have participated in, including relays, and the events and the meet will be rescored.

Section 14.06. Strict Adherence to Protest Criteria Required

If any of the criteria set forth in this Section XIV are not met, there can be no protest.

EXHIBIT B

NORTHERN CALIFORNIA SWIM LEAGUE CHAMPIONSHIP MEET RULES

I. Organization and Responsibility

As set forth in the League Bylaws, the League Championship Committee for a League conference shall be primarily responsible for planning and staging the championship meet for that conference. The Committee shall consist of a representative from each Team in the conference, and shall be subject to the Board's oversight and supervision.

II. Staging of Championship Meets

A championship meet shall be planned and staged for each League conference.

III. Championship Events and Age Groupings

- A. Events and age groupings for championship meets shall be the same as for dual meet competition. The order of events for championship meets shall be as set forth on Schedule I, attached.
- B. On each day of a championship meet, the qualifying heats for that day's events shall be held **first**, followed after a short break by the finals for each of said events.

IV. Entries and Eligibility

- A. A League participant must swim in at least two individual events in at least two League dual meets during the regular season to qualify for participating in a championship meet. For purposes of complying with this requirement, it does not matter whether the swimmer swam in a scored or non-scored heat of an event. For purposes of this Section IV.A., the term "League dual meet" is defined as any dual meet occurring on a Saturday between two teams as defined in Article 3 of these bylaws. In addition to the foregoing requirement, a copy of a Northern California Swim League Application For Swimmer Registration for each League participant must be submitted to the League Registrar by the League participant's Team no later than June 15 of the then current regular season to qualify for participating in a championship meet.
- B. In order for a swimmer to enter an event, the swimmer must have a seeding time taken from either a League meet, a practice meet or a time trial conducted by a Team official or coach. The swimmer's best-recorded time in each event must be utilized for championship seeding purposes.
- C. A swimmer may enter all of the individual events in his age group, and may participate in one freestyle relay and one medley relay. A swimmer may move up in a relay event.

- D. Each Team may enter no more than two relay teams per event. There shall be no limit upon the number of swimmers each Team may enter in the individual events at a championship meet unless, in the reasonable opinion of the Championship Committee and the Board of Directors, some form of limitation is necessary to allow the championship meet to be conducted on schedule over the two-day meet weekend. In the event a limitation on individual entries is required for scheduling purposes, the form of said limitation shall be developed and agreed upon by the League Board of Directors. The policy of the League is to allow as many swimmers as possible to compete in championship meets.
- E. The swimmers who participate on a relay team in championship finals competition need not be the swimmers who participated on said relay for purposes of establishing a championship meet seeding time. Relay events in League championship meets will be conducted as timed Finals without qualifying heats.
- F. No swimmer shall be eligible to compete in any championship event unless the Team for which that swimmer is registered shall have paid all of its registration fees not later than such time as designated by each conference as the last date upon which swimmers may be seeded for championship.

V. Seeding

Seeding for a championship meet will follow current USS procedures and will be based upon the seeding times submitted by each Team at the time of entry deadline.

VI. Scoring

Scoring at a championship meet shall be in conformity with USS Rule 102.7.3 as it pertains to meets conducted without consolations and championship finals. Team points will be awarded in final events only. Conferences, at their discretion, and by majority vote of conference Teams, may score and medal up to ten lanes at championships, with the additional costs added to their championship budget. Points will be awarded as follows:

<u>8 Lane Pool</u>			<u>10 Lane Pool</u>		
Place	Individual Event	Relay Event	Place	Individual Event	Relay Event

			10	1 point	2 points

Additionally, Conferences, at their discretion, and by majority vote of conference Teams, not later than two weeks prior to Championships, may choose alternate scoring method for Relays.

VII. Failure to Swim a Final Event After Qualifying

Any swimmer who qualifies for the Finals in an event and who fails to swim in the final event without the permission of the Meet Referee shall be barred from competing in any other events during the championship meet, and the next qualified swimmer will take the barred swimmer's place.

VIII. Medals and Trophies

All finals participants, unless disqualified, shall receive place medals. A high-point trophy will be awarded to the high-point boy and girl in each age group. Team trophies shall be given to the Teams placing first, second and third at a championship meet.

IX. Authority to Adopt Other Rules

The Board of Directors shall adopt such other championship rules, as it deems necessary to carry out championship meets.
