

Dear Rocklin Swim Team Parents and Swimmers,

We ask your help to take an online training for about the USA SWIMMING SAFE SPORT program. Your training is needed so our team is recognized by USA Swimming as a Safe Sport Team selecting **Sierra Nevada** as your LSC and **Rocklin Mavericks** as your club. There is one course for parents and a separate course for athletes. Each course is \$0 but when the athlete is at the checkout screen, make sure the billing has the parent name for the screen to advance to the online class properly. Our league is providing our team money to complete participation, so it is extremely important to take this training and we very much appreciate your time.

WHAT IS SAFE SPORT: It is the USA Swimming program to safeguarding all members with the welfare of its athlete members as top priority. Safe Sport is USA Swimming’s comprehensive abuse prevention program and provides tools for swim clubs to educate their members and intervene in risky situations.

SAFE SPORT AT ROCKLIN SWIM TEAM: We adopted our Safe Sport policies starting in 2016. You can access the policies on our website by [clicking here](#). We support Safe Sport and Safety programs by helping to provide resources on our websites.
