TEAM HANDBOOK

Partners with

Dear Sac Town Swimmers & Parents:

The Coaches and Board of Directors would like to welcome you to this year's team. We're looking forward to an exciting swim season and to working together with your family to make this summer a rewarding experience for all.

This handbook will provide you with information you and your swimmer need to experience a successful swim season. Please take a few minutes to carefully read through it.

Unlike many sports, swim teams (and especially meets) simply can't happen without parent volunteers. A successful season truly relies on both the commitment and participation from swimmers **and** parents.

Thank you, in advance, for your dedication and cooperation. Please let us know if you have any suggestions, ideas, comments, or questions.

Sincerely,

The Sac Town Tsunami Swim Team Board of Directors

Purpose and Objective

Our goal is to provide a fun means of exercise while we help young swimmers master the four primary swim strokes and develop strong swimming skills. Our enthusiastic coaches work one-on-one with the swimmers to improve their technique and develop their physical strength and stamina.

It is our goal to ensure that your child improves both their times and technique in all strokes. The coaches are always working to promote teamwork and good sportsmanship. We strive to have a family-friendly atmosphere that unites the swimmers in friendship and good team spirit.

We are part of the Nugget Conference in the Northern California Swim League.

Our conference includes the following teams:

Woodland Wreckers

Carmichael Beavers

Highlander Dolphins

Rio Linda-Elverta AquaKnights

Rio Vista Sharks

Sac Town Tsunami

Board of Directors

The Board of Directors is made up of volunteer parents and meets monthly. All meetings are open to parents of each registered swimmer of the team. We are always looking for new board members. Let us know if you would like to join us. The following is a list of our current board members:

General Information

Practice begins April 2nd and runs through our league championship event held at the end of July.

The practice times and durations are scheduled by age group, as follows:

*Ages 8 and Under 5:30 – 6:15 pm
Ages 9 through 12 6:15 – 7:15 pm
Ages 13 through 18 7:15 – 8:30 pm*

These times may vary during the season and will likely expand and overlap as we approach Championships. You are free to attend a different practice if your child is better suited to its skill level or if a personal event arises, causing a conflict.

Practices and meets are tentatively held at the Fruitridge Aquatic Center, located at 4000 Fruitridge Road in Sacramento. We anticipate moving to the new Vineyard Pool upon its completion. This newly-built pool is located at 8025 Waterman Road Sacramento 95829.

Our alternate practice facility is the Rutter Swim Center, located at 7320 Palmer House Drive, also in Sacramento. This facility may be occasionally used when the Fruitridge/Vineyard pool is unavailable, due to maintenance.

Coaching Staff

Team Requirements

Swimmers' age for eligibility is their age on June 15th of the current swim year. This is also the last day that someone can join our team.

Swimmers wishing to be eligible to join the Tsunami are subject to the following rules as put forth by the Northern California Swim League:

Section 11.03. Events Causing Ineligibility

- (a) If, between the time period commencing on February 1 and continuing through the completion of all four conference championship meets, an individual:
 - (i.) Swims in any United States Swimming-sanctioned meet; or
 - (ii.) Participates in any stroke-and-turn clinic in February or which does not comply with Section 12.06; or
 - (iii.) Practices with, or competes for, any swimming team other than the swimmer's Team; then said individual shall be ineligible to register and participate (or continue participating, as the case may be) in the League swimming season occurring in said calendar year.
- (b) For the period commencing February 1 and ending March 31 an individual shall be ineligible if that individual participates in any swim practice at the direction or supervision of any coach. For purposes of this section "direction" or "supervision" shall include any oral or written directions given by a coach to a swimmer
- (c) Sections 11.03(a) and (b) notwithstanding, an individual will remain eligible to participate in a League swimming season if the individual participates on any of the following teams at any time between February 1 and the end of the League's swimming season:
 - (i.) High school swimming teams;
 - (ii.) Intercollegiate (junior college, community college, college or university) swimming teams;
 - (iii.) Water polo or synchronized swimming teams;
 - (iv.) Another Team of this League provided that either the individual's participation is limited to attendance at stroke-and-turn clinics sponsored by said other member Teams

or the individual complies with Section 11.04 of these Bylaws;

(v.) A team which is a member of another recreational league, provided that said team has not practiced during the time period commencing on February 1 and running through March 31, and further that the individual complies with Section 11.05 of these Bylaws.

(d) A participant who becomes ineligible after the League swimming season commences shall immediately cease participation in all League swimming meets remaining in the season. All points scored by the participant prior to the date of his ineligibility shall remain valid and in full force and effect. If a participant competes in a League meet while ineligible, all points scored by the participant and any relay of which the participant was a member shall be rendered null and void, and the participant shall be deemed disqualified from all said events.

Swimmers are limited to 3 individual races and 2 relay races per meet. A swimmer must swim in at least 2 individual races in at least 2 conference meets in order to qualify for Championships and the end-of-season special awards.

IMPORTANT: Every swimmer MUST be registered with Southgate AND with NCSL before they may enter the pool to practice. Please have your NCSL registration done BEFORE your swimmer(s) enter the pool.

Parent Participation

Parent and family participation are required to ensure the swim team is a success at both home and away meets. Meets are completely run by parents. Everyone will be required to assist in one or more of the volunteer roles outlined in *Appendix A*.

Prior to the first meet of the season, parents or other family members will be assigned to a job for at least half of each meet. Every effort will be made to accommodate everyone's preferred choices. Sometimes you may be asked to assist in another assignment with little more than a moment's notice on meet day. We appreciate your flexibility.

We sincerely appreciate everyone's willingness to help. Once assigned, it will be your responsibility to obtain an alternate in the event you are unable to fulfill your commitment.

All assignments are in view of the pool, or can easily be stepped away from temporarily to see a race, so regardless of assignment, you should not miss any of your swimmers' races. Volunteers should check in with the Volunteer Coordinator at least 30 minutes prior to the start of each meet.

Fundraising

The Sac Town Swim Team is a non-profit, privately-funded, IRC section 501(c)(3) charitable organization. We do not receive any subsidized funding from Southgate Recreation & Park District or any other public entity. We rely on fundraising as a means to keep our registration fees as low as possible. Although fundraisers are an integral part of our existence, we have strived to structure them to require as minimal participation as possible from both the swimmers and parents.

We operate the following fundraising activities during the season:

- ❖ **Swim-A-Thon**: On May 11th, we will hold the SECOND ANNUAL SACTOWN TSUNAMI SWIM-A-THON. Swimmers will be sponsored for an amount per lap or a maximum pledge amount.
- ❖ **Tamale Sale Fundraiser**: Our tamale fundraiser begins on June 20th. Perfect timing for those FOURTH OF JULY parties! Look for the order forms in mid-June! Then sell to family, friends, coworkers, anyone who loves a TAMALE!
- ❖ **AmazonSmile**: For those that shop on Amazon, you can designate Sac Town Swim Team as the charitable organization

you would like to support. AmazonSmile works just like Amazon, but a percentage of purchases made on AmazonSmile will be donated to the Sac Town Swim Team. Please visit www.smile.amazon.com, as this is another easy way to support the team and is very easy to set up.

- ❖ **Snack Bar:** During each home meet, a snack bar will be open selling breakfast burritos, doughnuts, hot dogs, hamburgers, tri-tip sandwiches, drinks, snacks, and team merchandise. We strive to include an arrangement of healthy snacks, as well. Candy sales (donuts are not candy ☺) begin at 10:00 am, so please prepare your children for this.

Team Swim Suit

This year the official team swim suit will again be the **TYR Phoenix Splice**, black with yellow accents. The team suit is required for all meets. We suggest you consider purchasing 1-2 inexpensive suits for practice. Boys have the option to choose between the jammer or racer style. Suits can be ordered through our online “storefront” at SwimOutlet.com, which you can access through our website.

Northern California Swim League rules require that only official team suits, or swimsuits of similar or lesser technical construction, are allowed in any league competition meets. High-performance technical and/or compression suits are prohibited.

Practices and Meets

Before Each Practice

Swimmers are expected to wait in the designated warm-up area and are encouraged not to interrupt the coaches while they are helping the prior group. Swimmers should arrive at least five minutes prior to their practice time with swimsuit, cap, and goggles ready. Use the restroom prior to the beginning of practice and use any extra time to stretch until called.

During Each Practice

Swimmers are expected to pay attention, without talking to teammates, and follow any instructions given by their coach. Parents are encouraged, but not required, to stay at the pool and watch your swimmers work out. We only ask that you honor the following requests:

- ❖ Keep your conversation levels low so kids can hear the coach's instructions, and refrain from communicating with your swimmer during practice.
- ❖ Stay clear of the immediate practice area and keep any younger siblings away from the pool.
- ❖ Avoid verbally analyzing the practice.

After the Practice

Each swimmer will be expected to help put away equipment, clean up around the pool and restroom area, and replace the pool covers.

Before Each Meet

Parents must use our website to commit/decline their swimmers for every meet. To do this, log on to our website (tsunamiswim.com), sign in, scroll down to the bottom of the home page, and you'll see the list of meets. Click "Edit Commitment" and from there you can commit/decline your swimmers.

Unless otherwise noted on our schedule, swimmers must arrive at the swim meet site by 7:00 am on all meet days unless otherwise noted. All meets start promptly at 8:30 am. Any swimmer not at the meet site 30 minutes prior to the meet will be scratched and not allowed to race, unless arrangements are made in advance with the coach or for an unforeseen emergency. This allows time for the coach to determine if all relays are filled and to assess if alternates are needed to fill in for any events. Swimmers should also check the posting board for the event numbers they will be participating in. The Swim Meet Order of Events is provided in *Appendix B*.

During the Meet

Immediately prior to their races, swimmers report to and stay at the Ready Bench (staging area where swimmers wait before races) and are asked to behave in a respectful manner. If a swimmer needs to leave the Ready Bench for any reason, they must let a Ready Bench volunteer know before leaving the area. When a swimmer's race number is called, he/she should promptly move to the Ready Bench and wait until called to the starting blocks. When standing behind the blocks, swimmers should wait quietly, behind the timers, out of respect for those about to start a race.

Parents are welcome to take pictures from any location throughout the meets with one exception: **No photography (including cell phones) is allowed from behind the starting area/blocks at any time during a meet. This is a strict league prohibition and our team enforces this rule stringently.**

After the Meet

At all meets (home or away), we ask all parents and swimmers to stay and help clean up the entire pool area including the ready bench and restrooms.

What to Bring to the Swim Meets

Swim meets are held on Saturday mornings. The following are some helpful hints:

- ❖ Swimmers should arrive dressed in their swimsuit, with cap and goggles in hand.
- ❖ Blankets, sleeping bags, and tents are welcome. Swimmers need to keep warm and rested while waiting for their next event.
- ❖ Extra Towels: We suggest bringing at least two (2) dry towels per swimmer as swimmers are in and out of the pool often throughout the day.
- ❖ Sweat suits or pajamas are nice on cold or windy mornings.
- ❖ Sunscreen: Remember to reapply as the day goes on!
- ❖ Sun protection: Try to stay in the shade as much as possible. Long meets (especially our two-day championship meet) can be very hot. A spray bottle with water can help keep you cool, and umbrellas, EZUp-type canopies or tents can provide relief from the direct sun.

- ❖ Entertainment between events: Bring playing cards, books, or games that do not have a lot of small pieces. Listening to music is also popular but please leave the device with someone you trust when you are in the water so that it doesn't get lost or taken (even by accident).
- ❖ Food: Swimmers should eat adequately at least one (1) hour prior to swimming. Food during a swim meet should be limited to light snacking.
- ❖ Beverages: Staying hydrated is very important. Therefore, the coaches recommend drinking water. Do avoid sodas, coffee drinks, and energy drinks during meets.
- ❖ No jewelry can be worn while in the water. This includes any piercings, rings, bracelets, necklaces, anklets, etc.
- ❖ Gum is also prohibited while in or near the pool as it can cause choking and damage to the pool and deck.

Disciplinary Procedures

All swimmers are expected to behave appropriately at all times during practice and at swim meets. Rudeness, ignoring instructions, vulgar language, physical contact (of any kind), or any disrespectful behavior will result in disciplinary action by the coach or other designated persons.

Swimmers will be given one verbal warning. If the behavior persists, the swimmer will be dismissed from practice. If the disruptive behavior continues, following the verbal warning during a meet, the swimmer will be scratched from all remaining events.

Before that swimmer can return to practice, the parent must have a conference with the Team Director concerning the behavior. If the behavior continues after this initial conference, another conference will be held with the swimmer, the parents, and the Board to decide what

disciplinary action should be taken.

Parents are also expected to behave appropriately at all times during practices and especially at meets. Disciplinary actions may involve ejection from the meet and/or your swimmer(s) being scratched from the meet.

Communication

We welcome and comments/concerns you or your swimmer may have about the team. Feel free to share them with the Team Director. If you feel your issue needs further review, you can request a meeting with the Board of Directors. We want everyone's experience on the Sac Town Tsunami to be a pleasant one.

We encourage parents and swimmers to check our website regularly for updates to the schedule and other information about the team, such as their times and rankings. Pictures can be shared on our Facebook page.
